

every year every distance polluted M₀

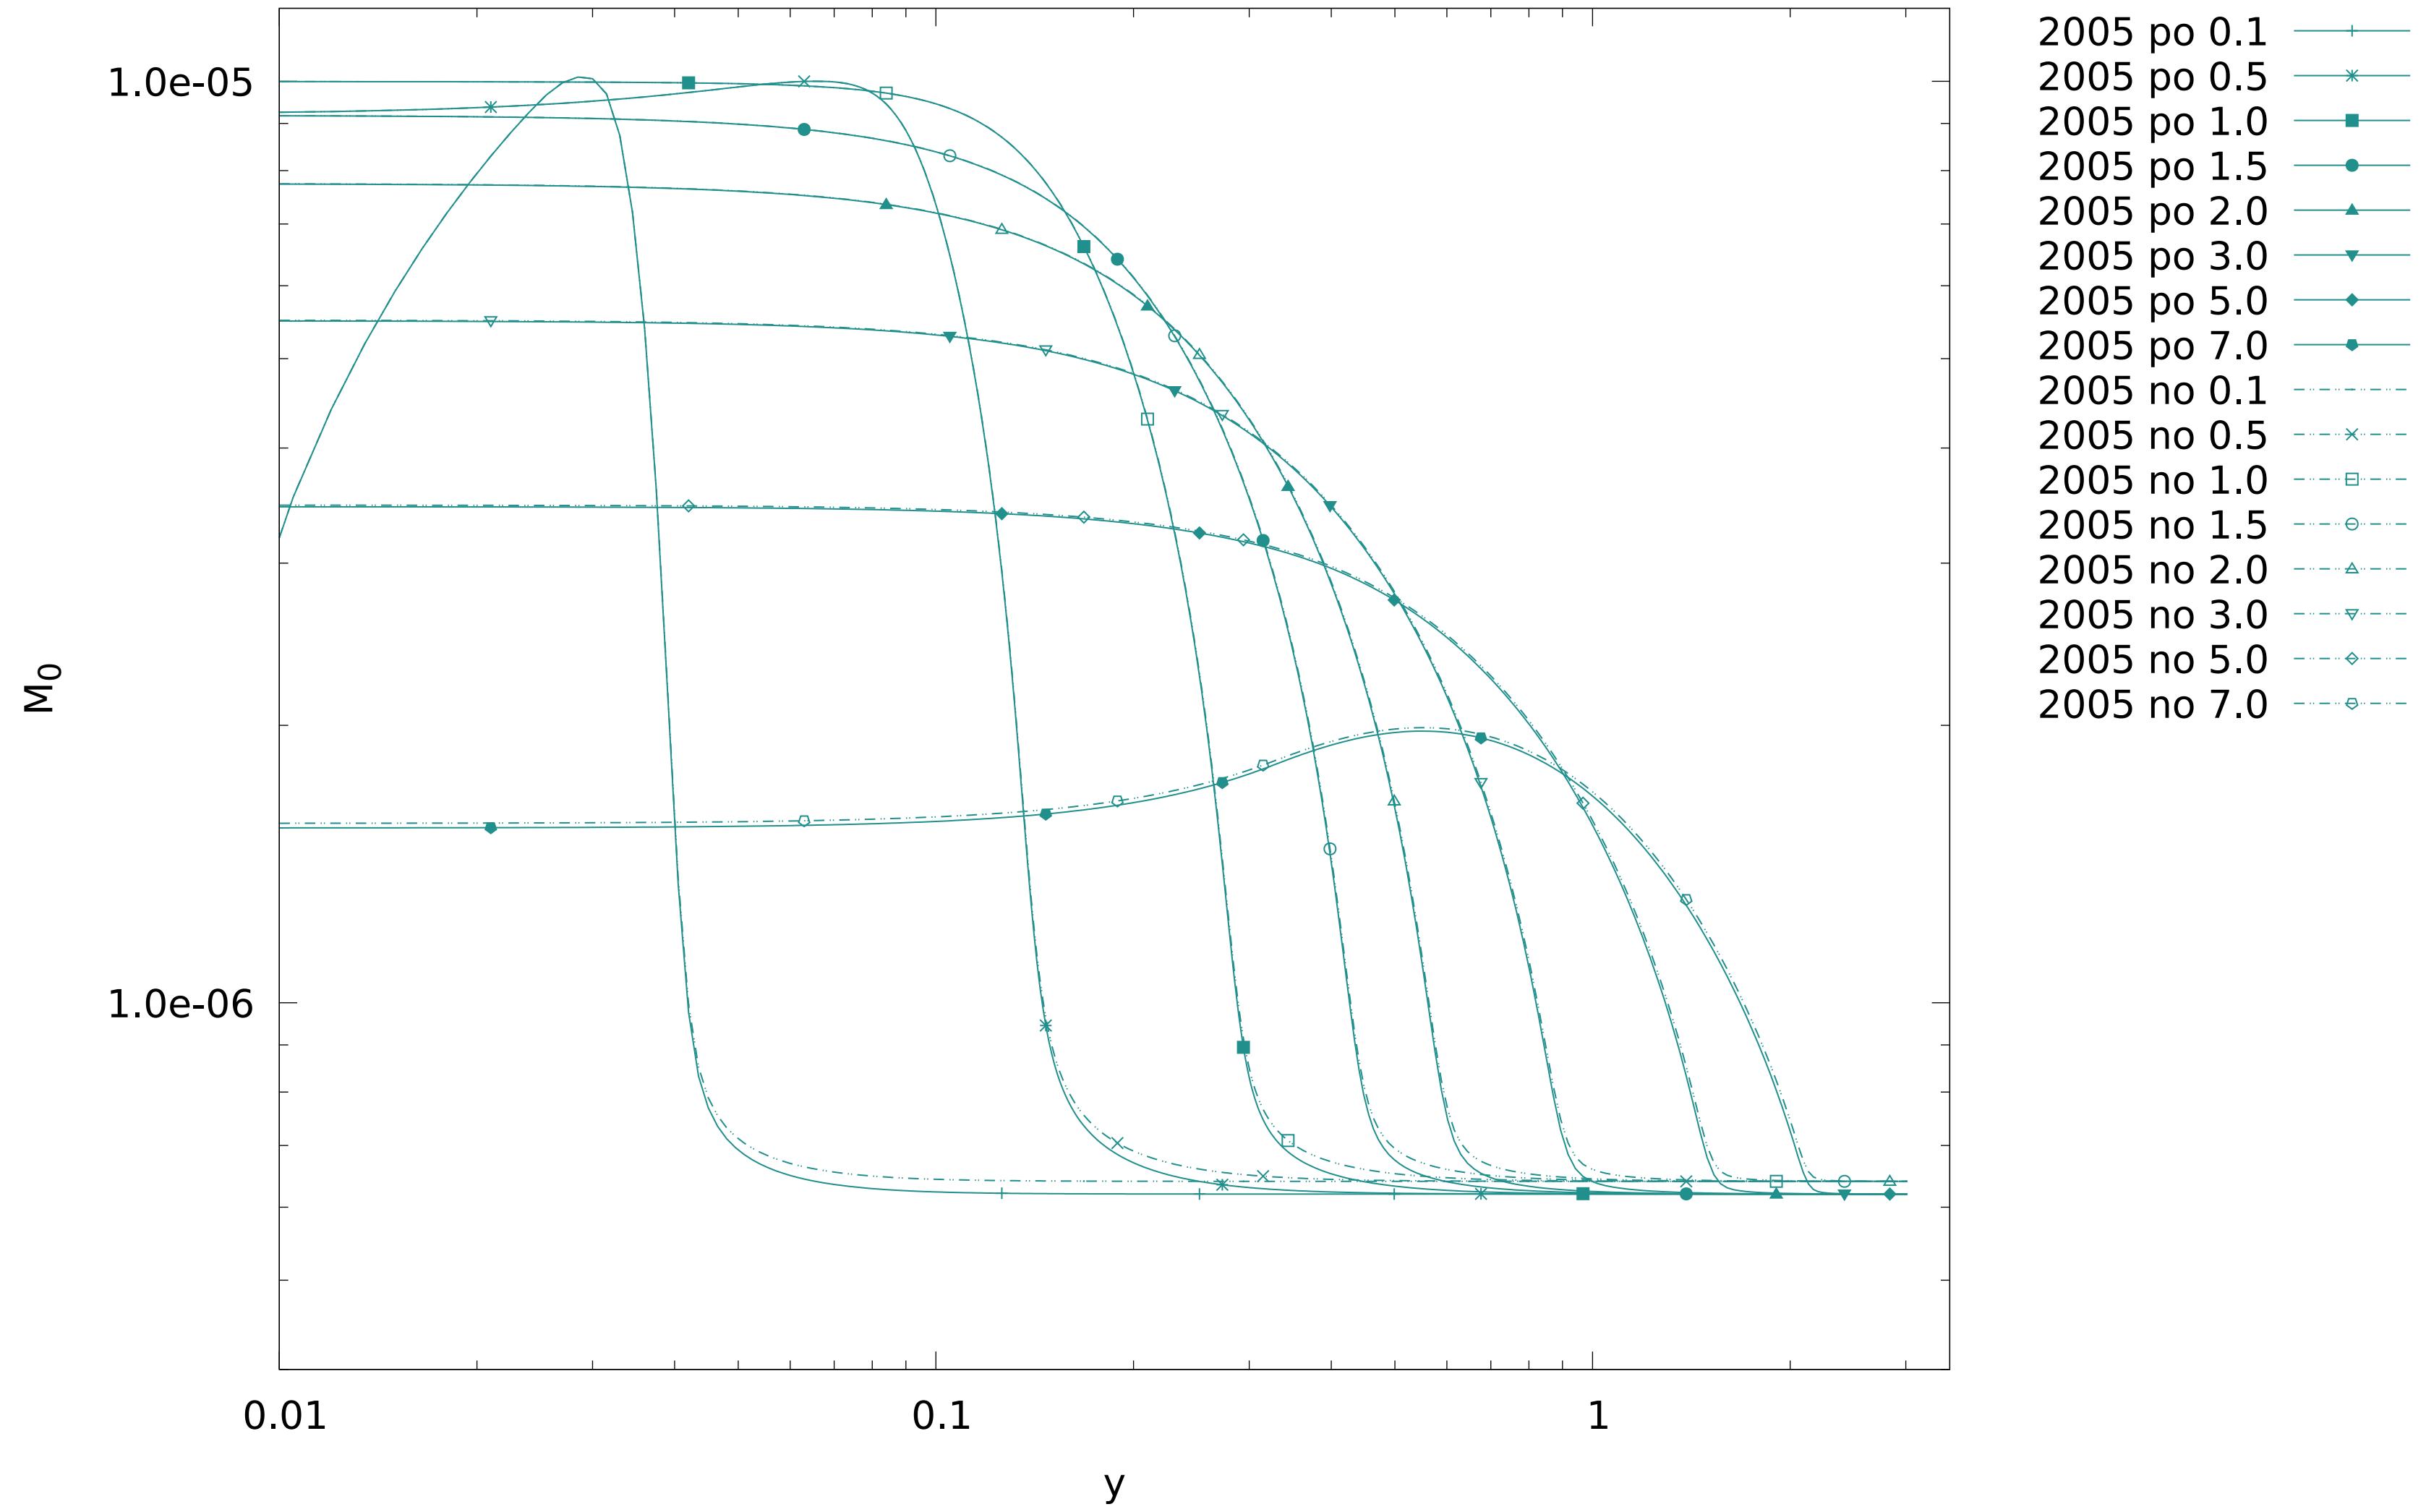

every year every distance nonpolluted M_0

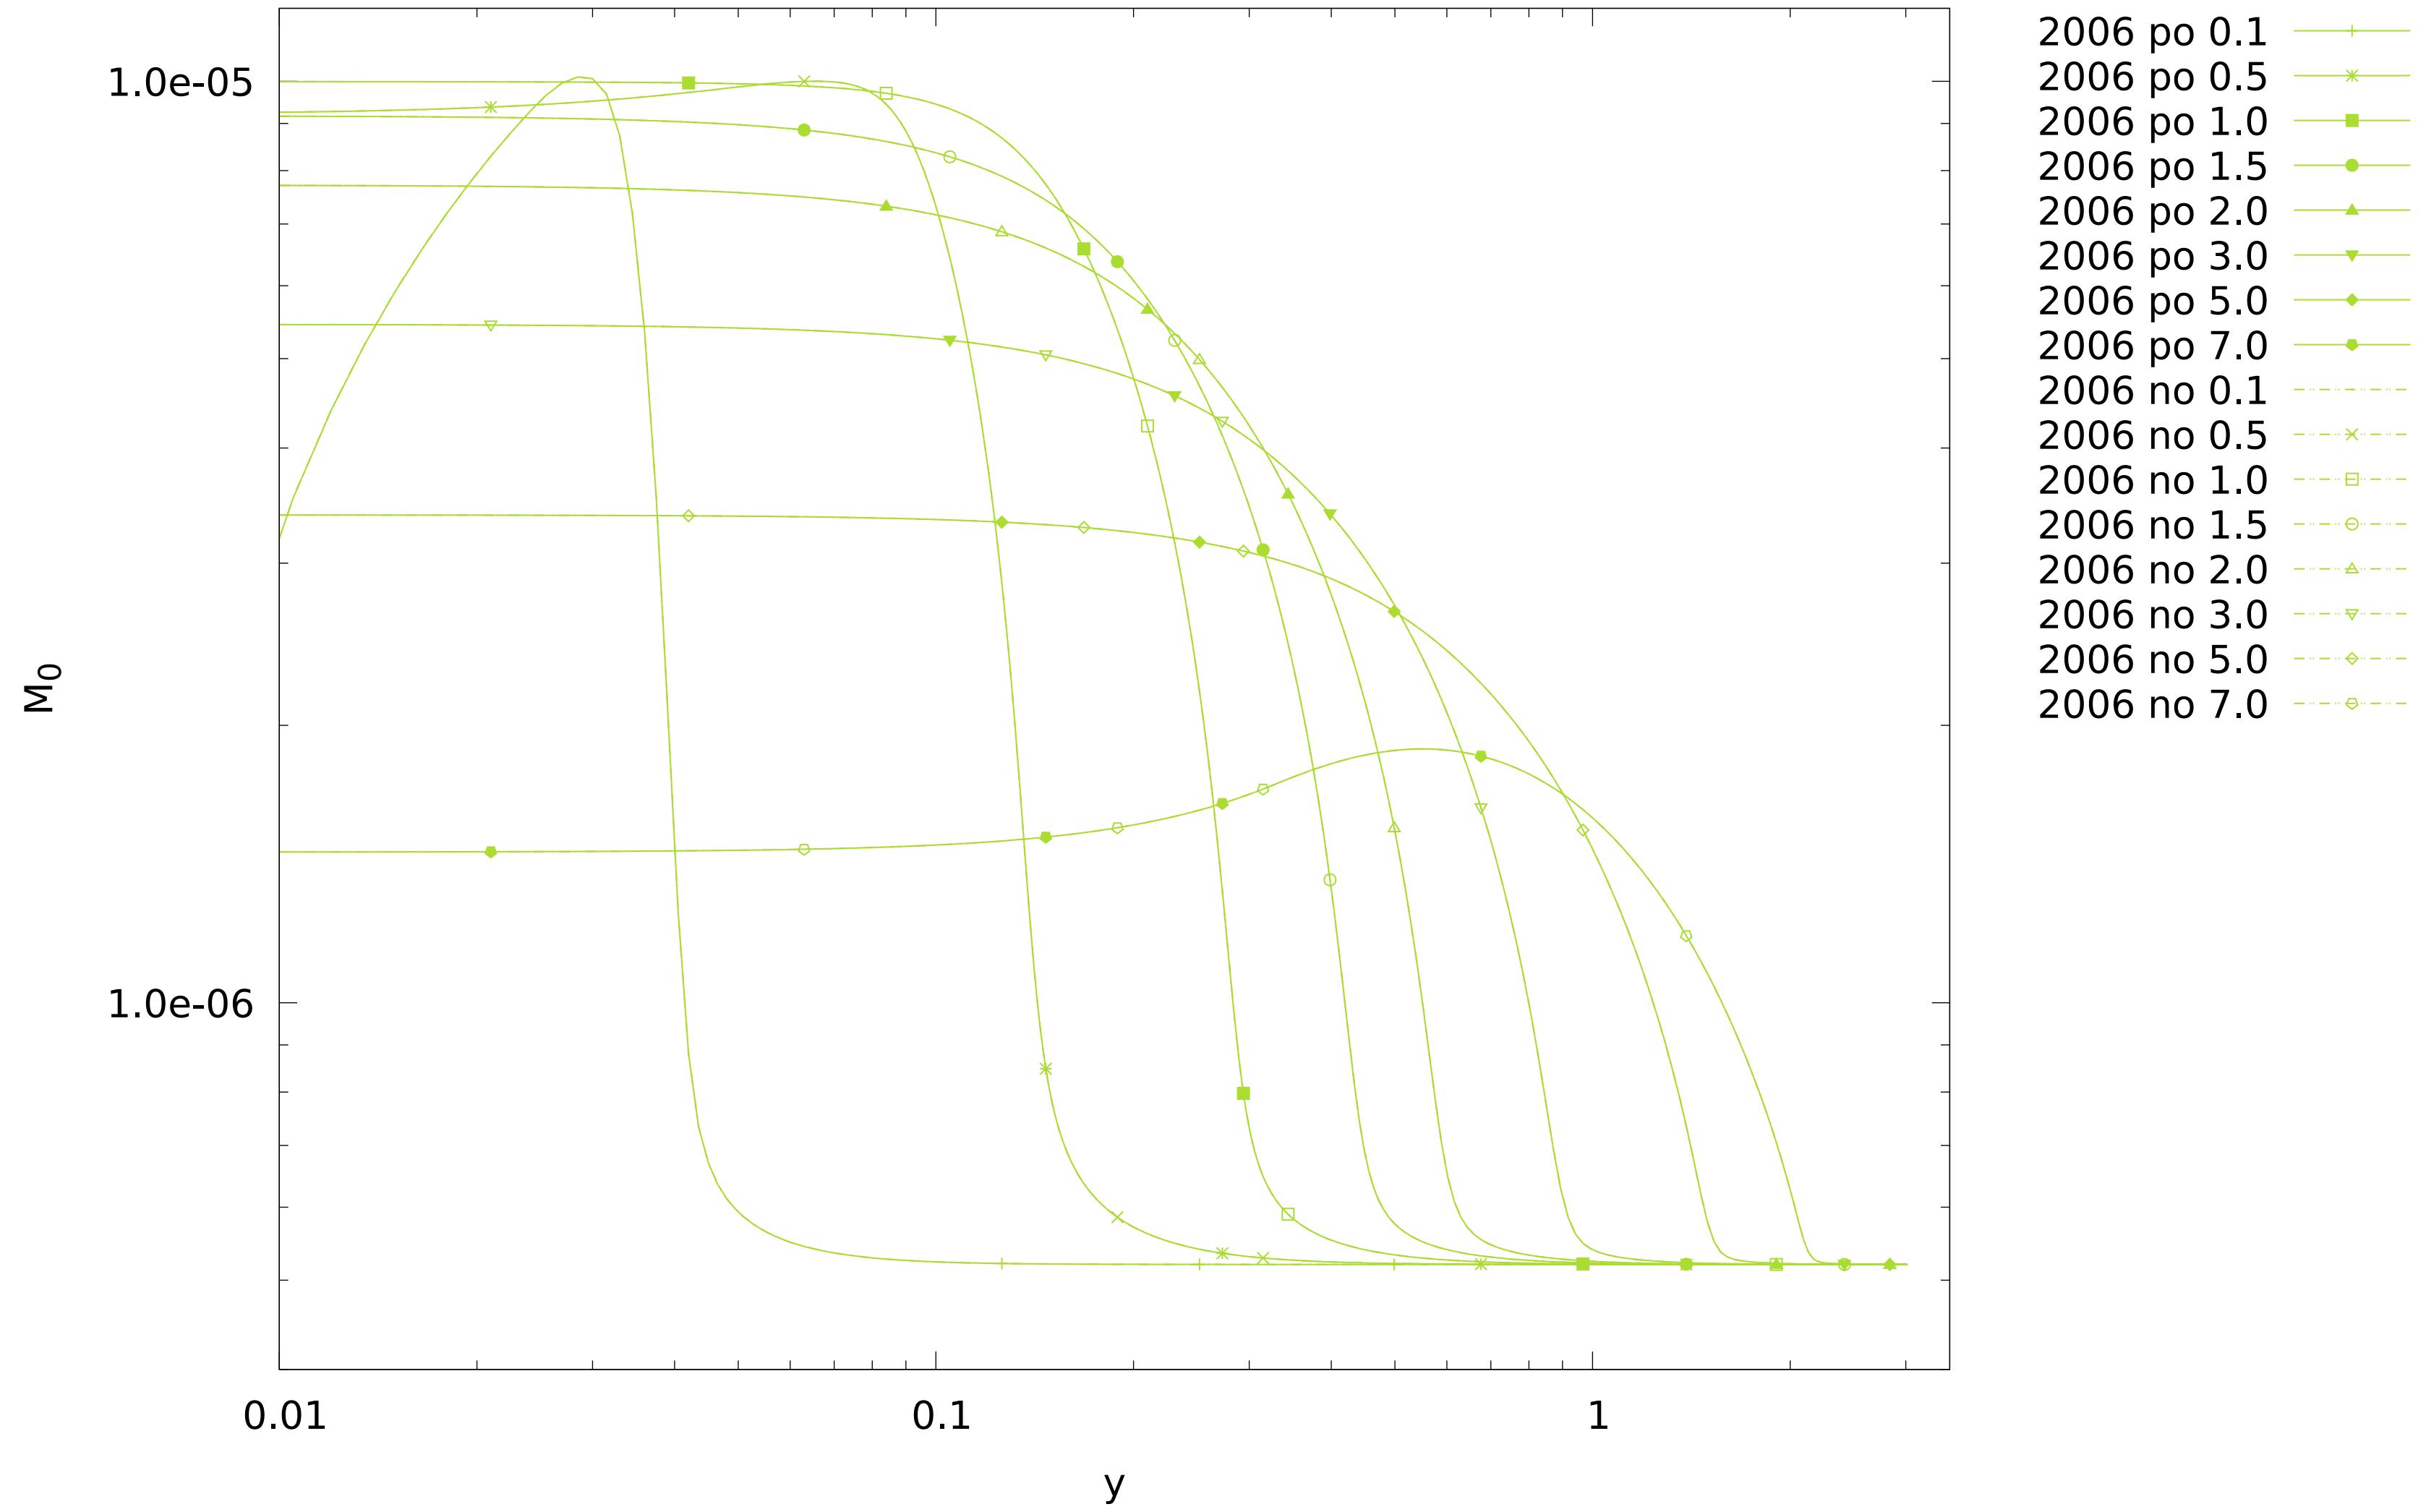

2004 every distance polluted and nonpolluted M_0

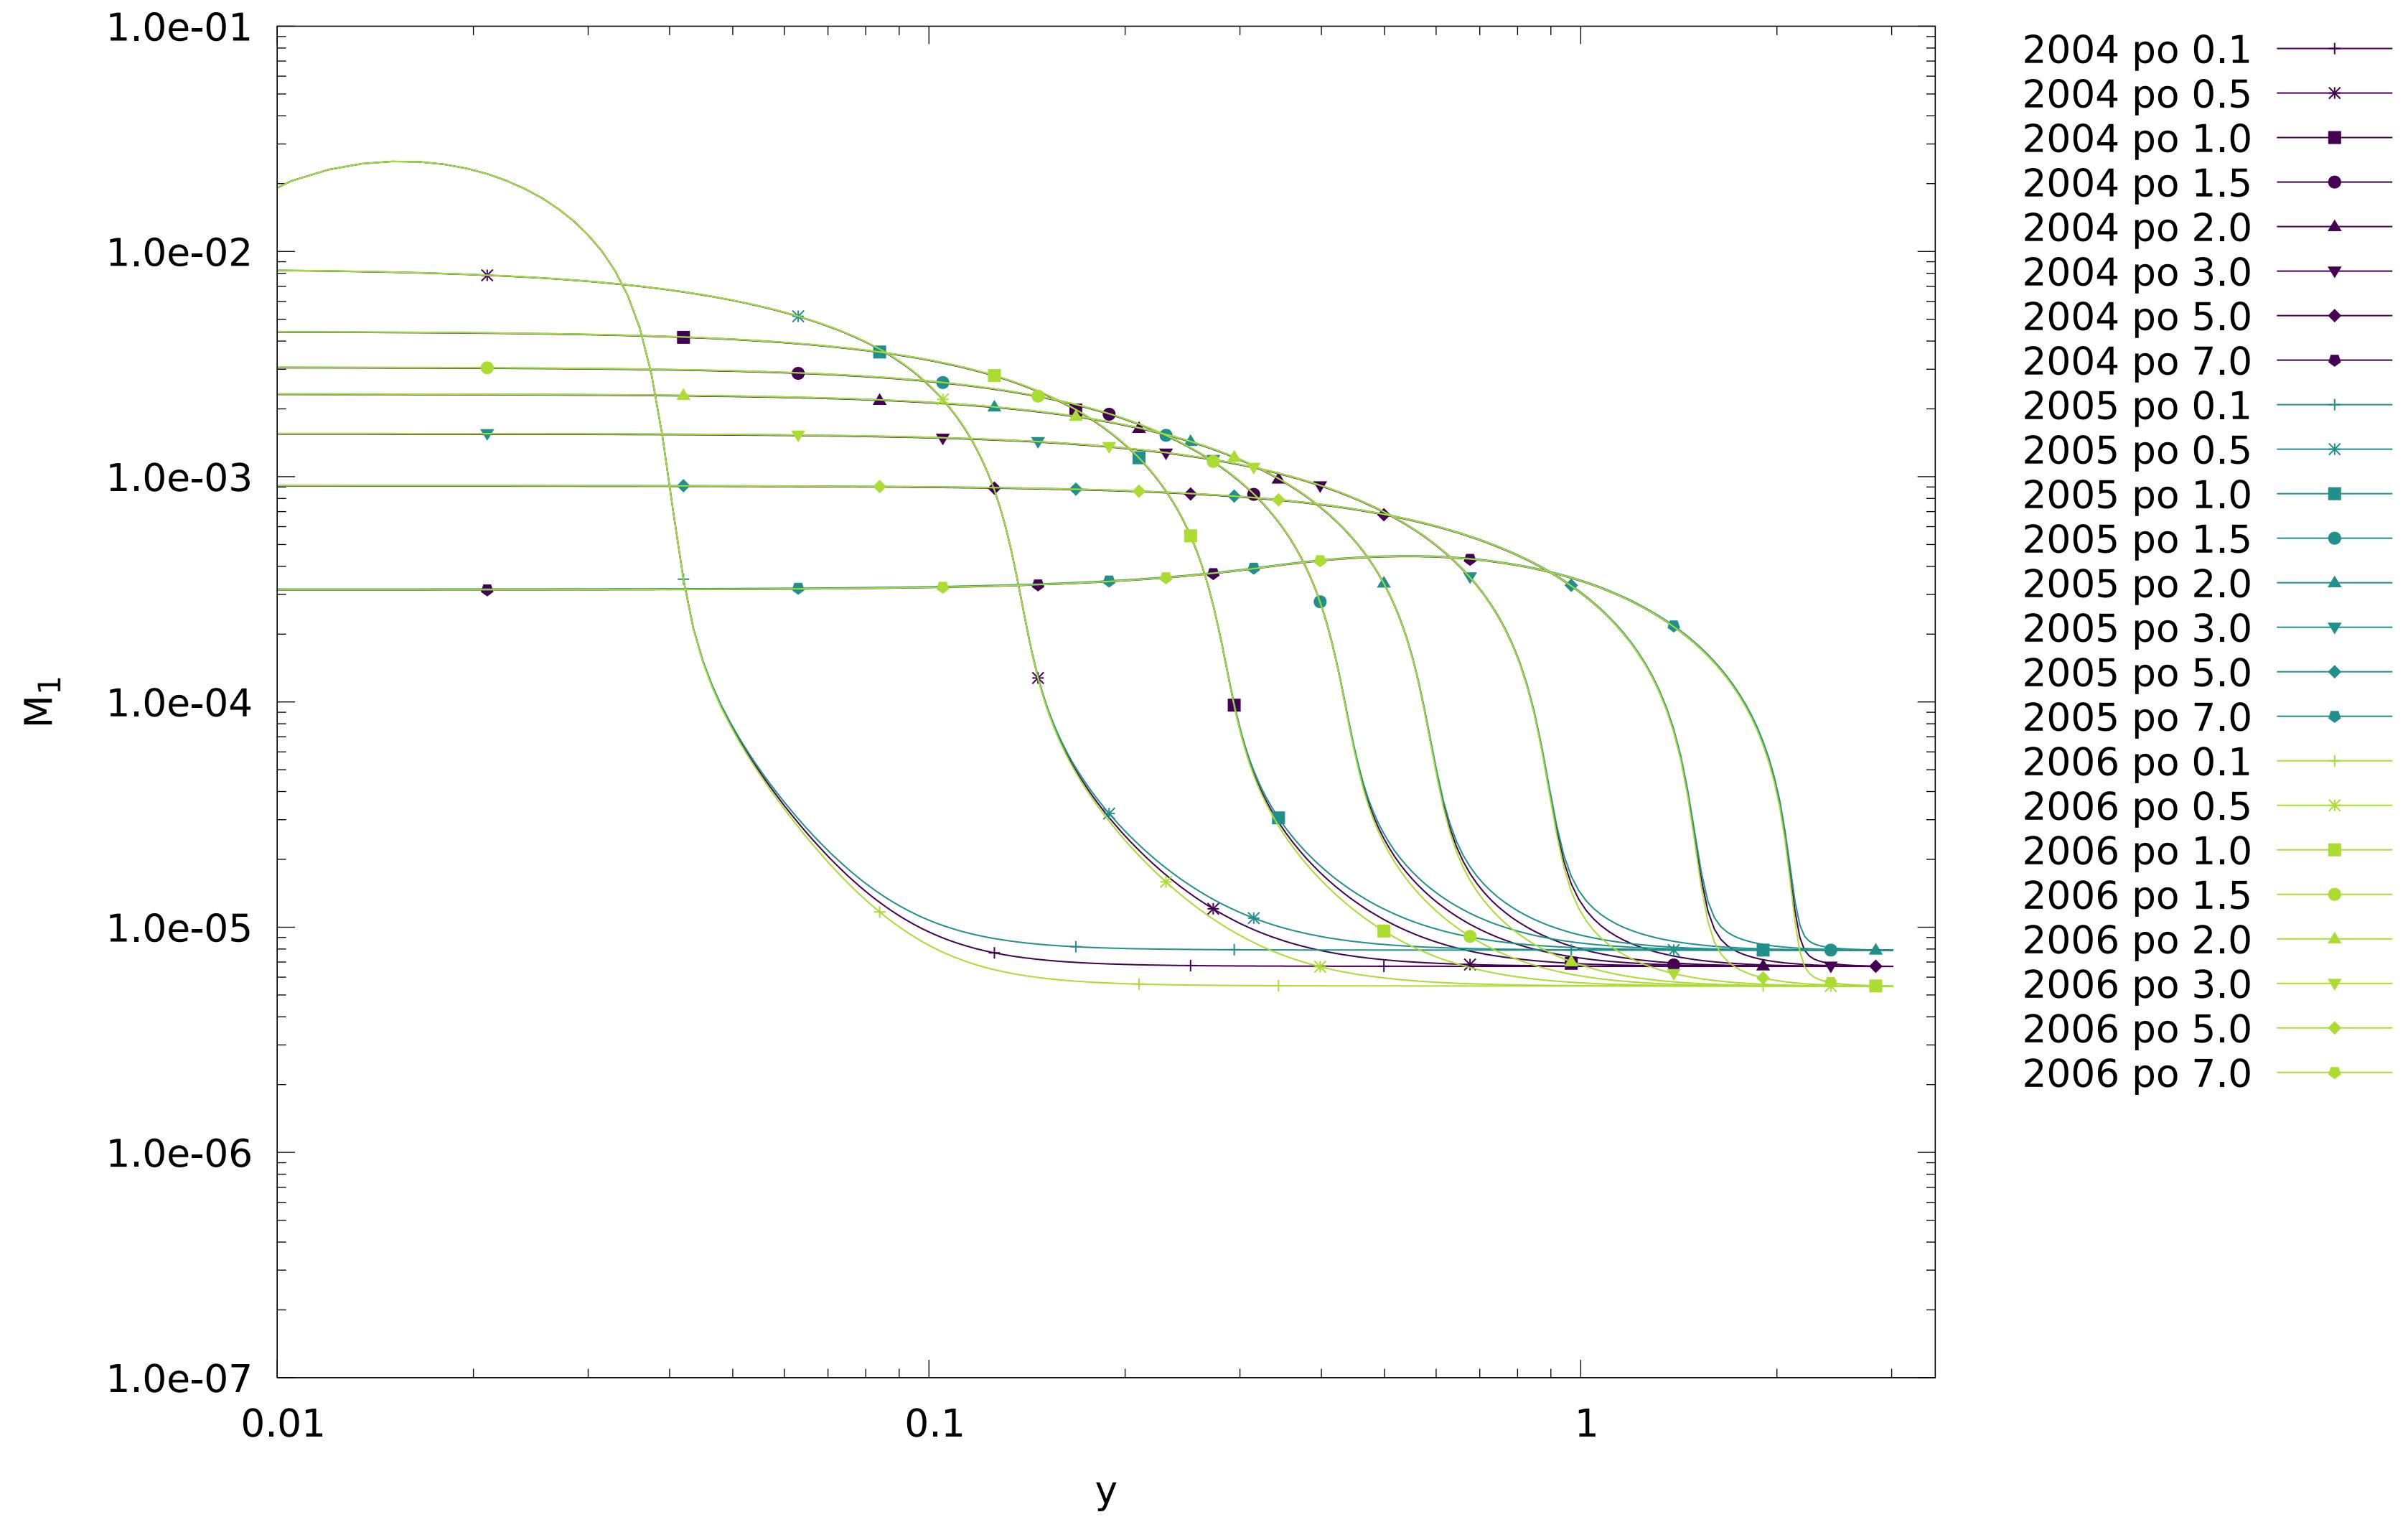

2005 every distance polluted and nonpolluted M_0

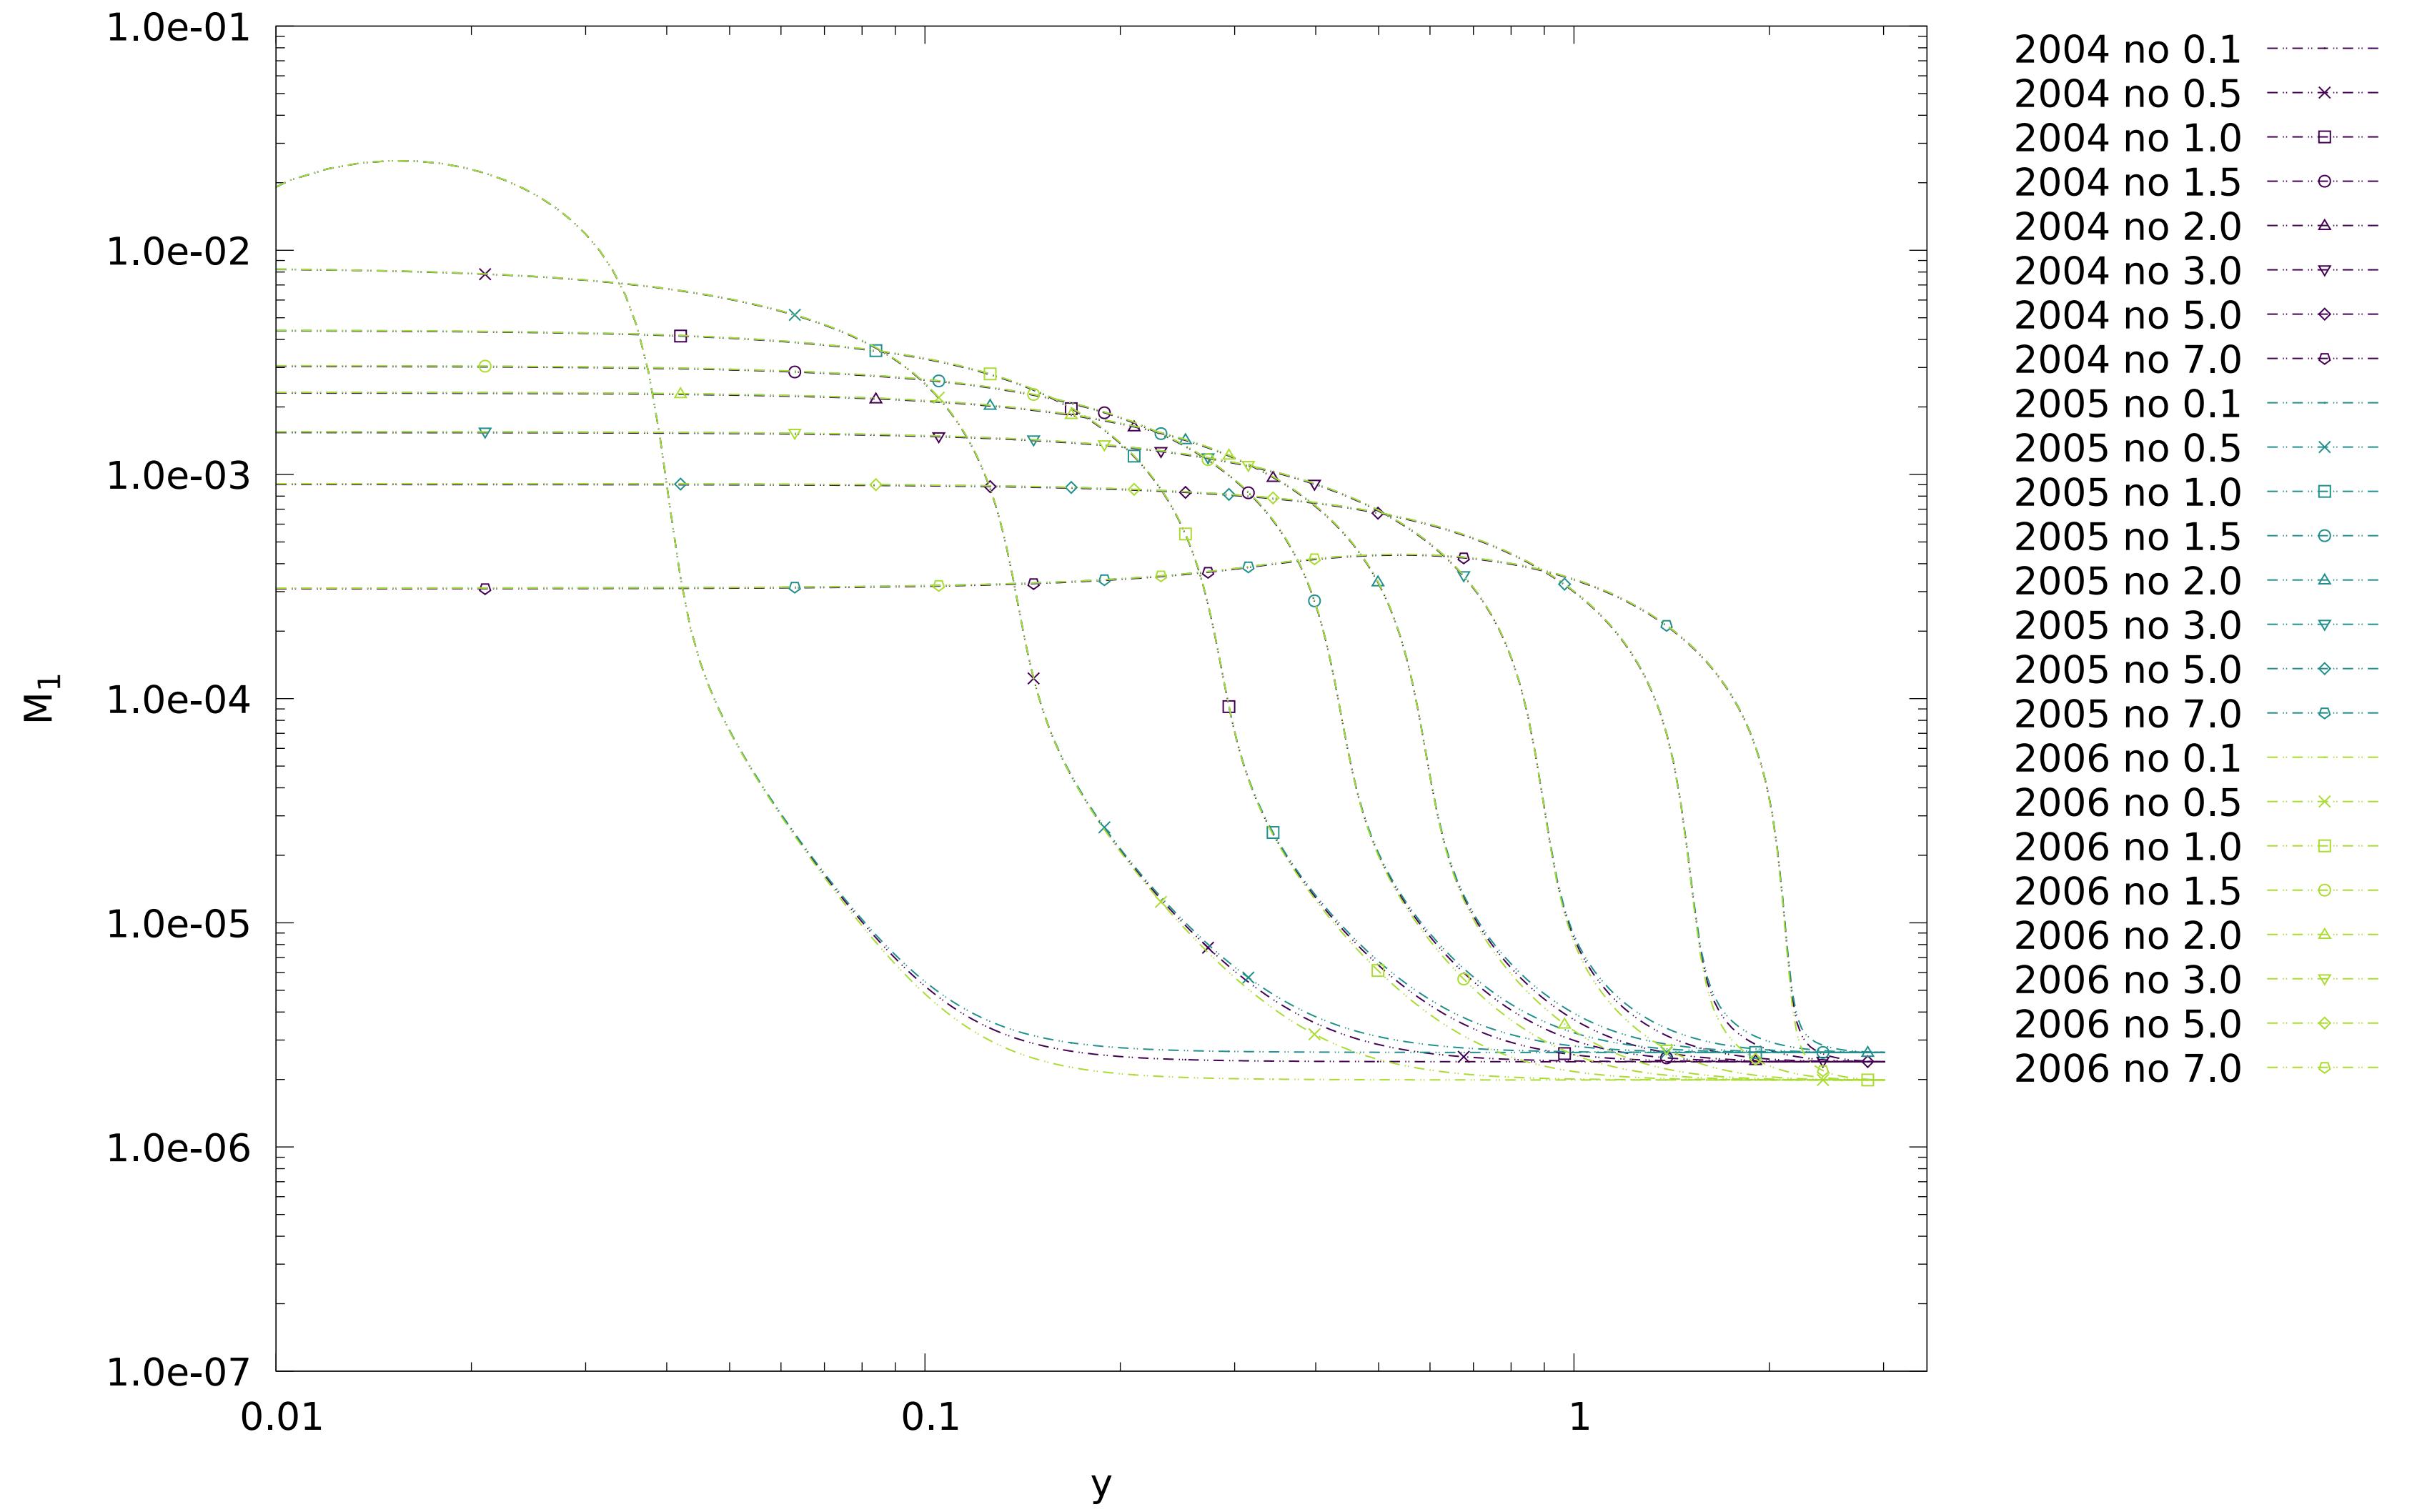

2006 every distance polluted and nonpolluted M_0

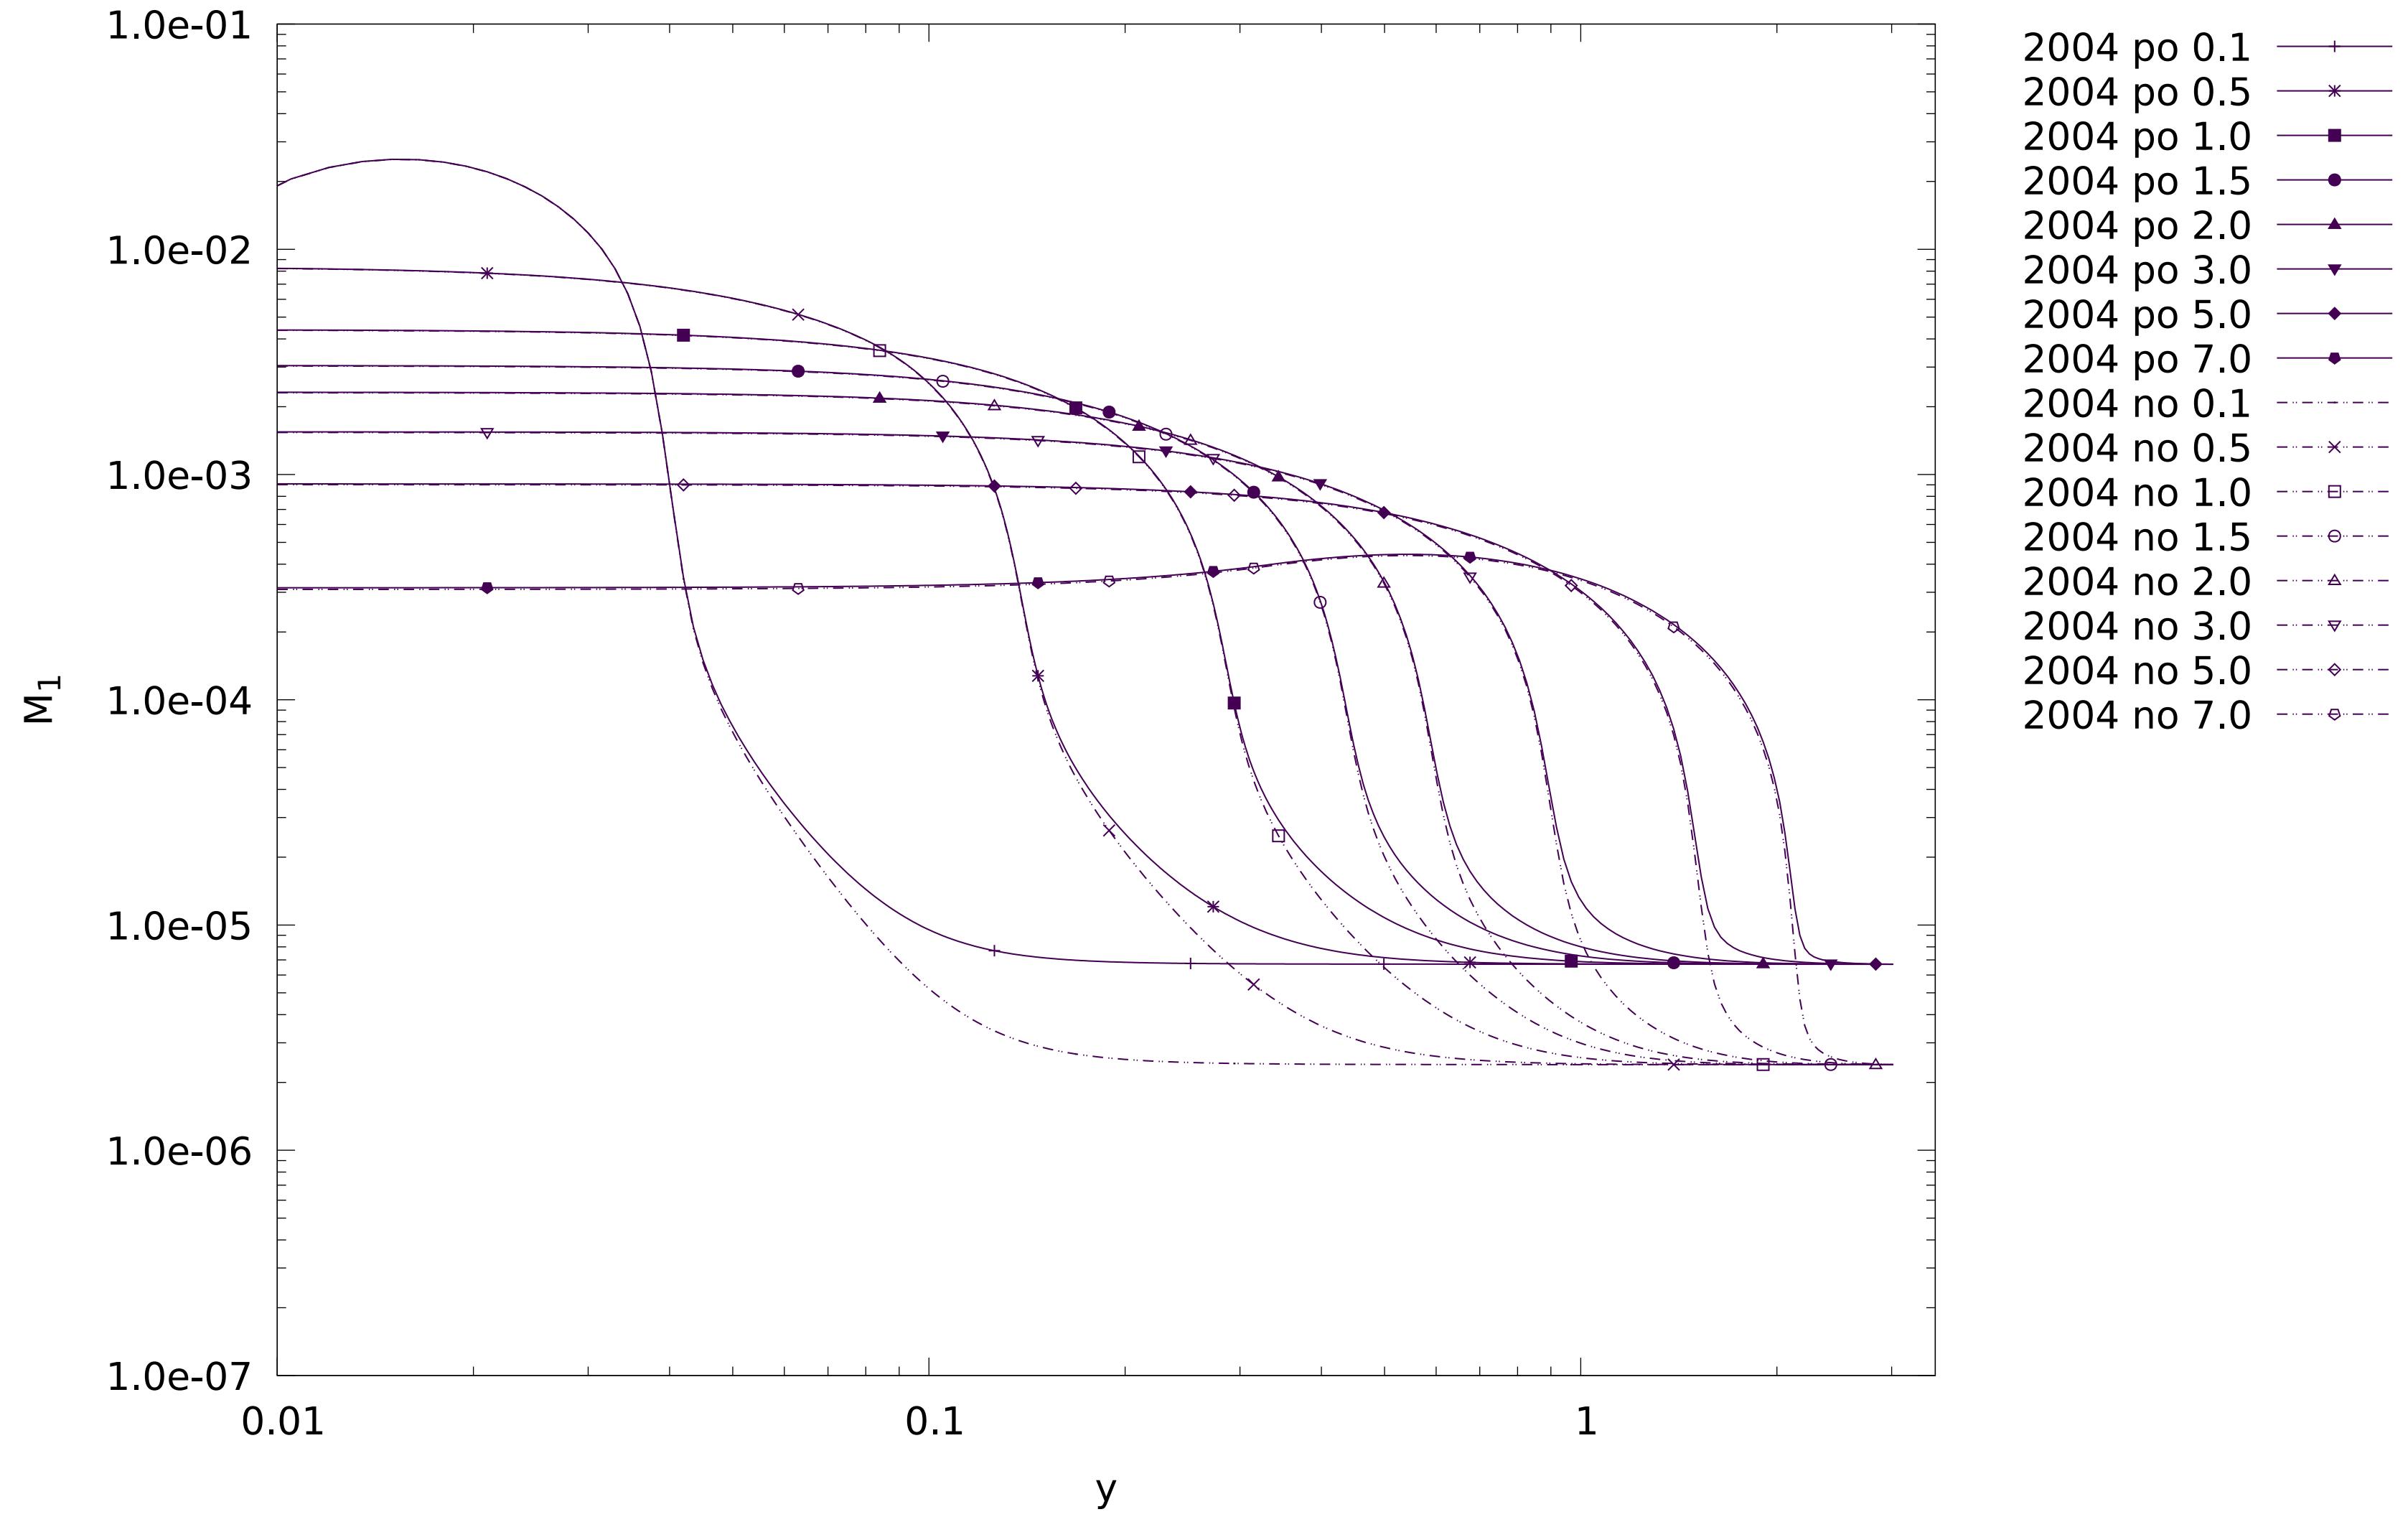

every year every distance polluted M_1

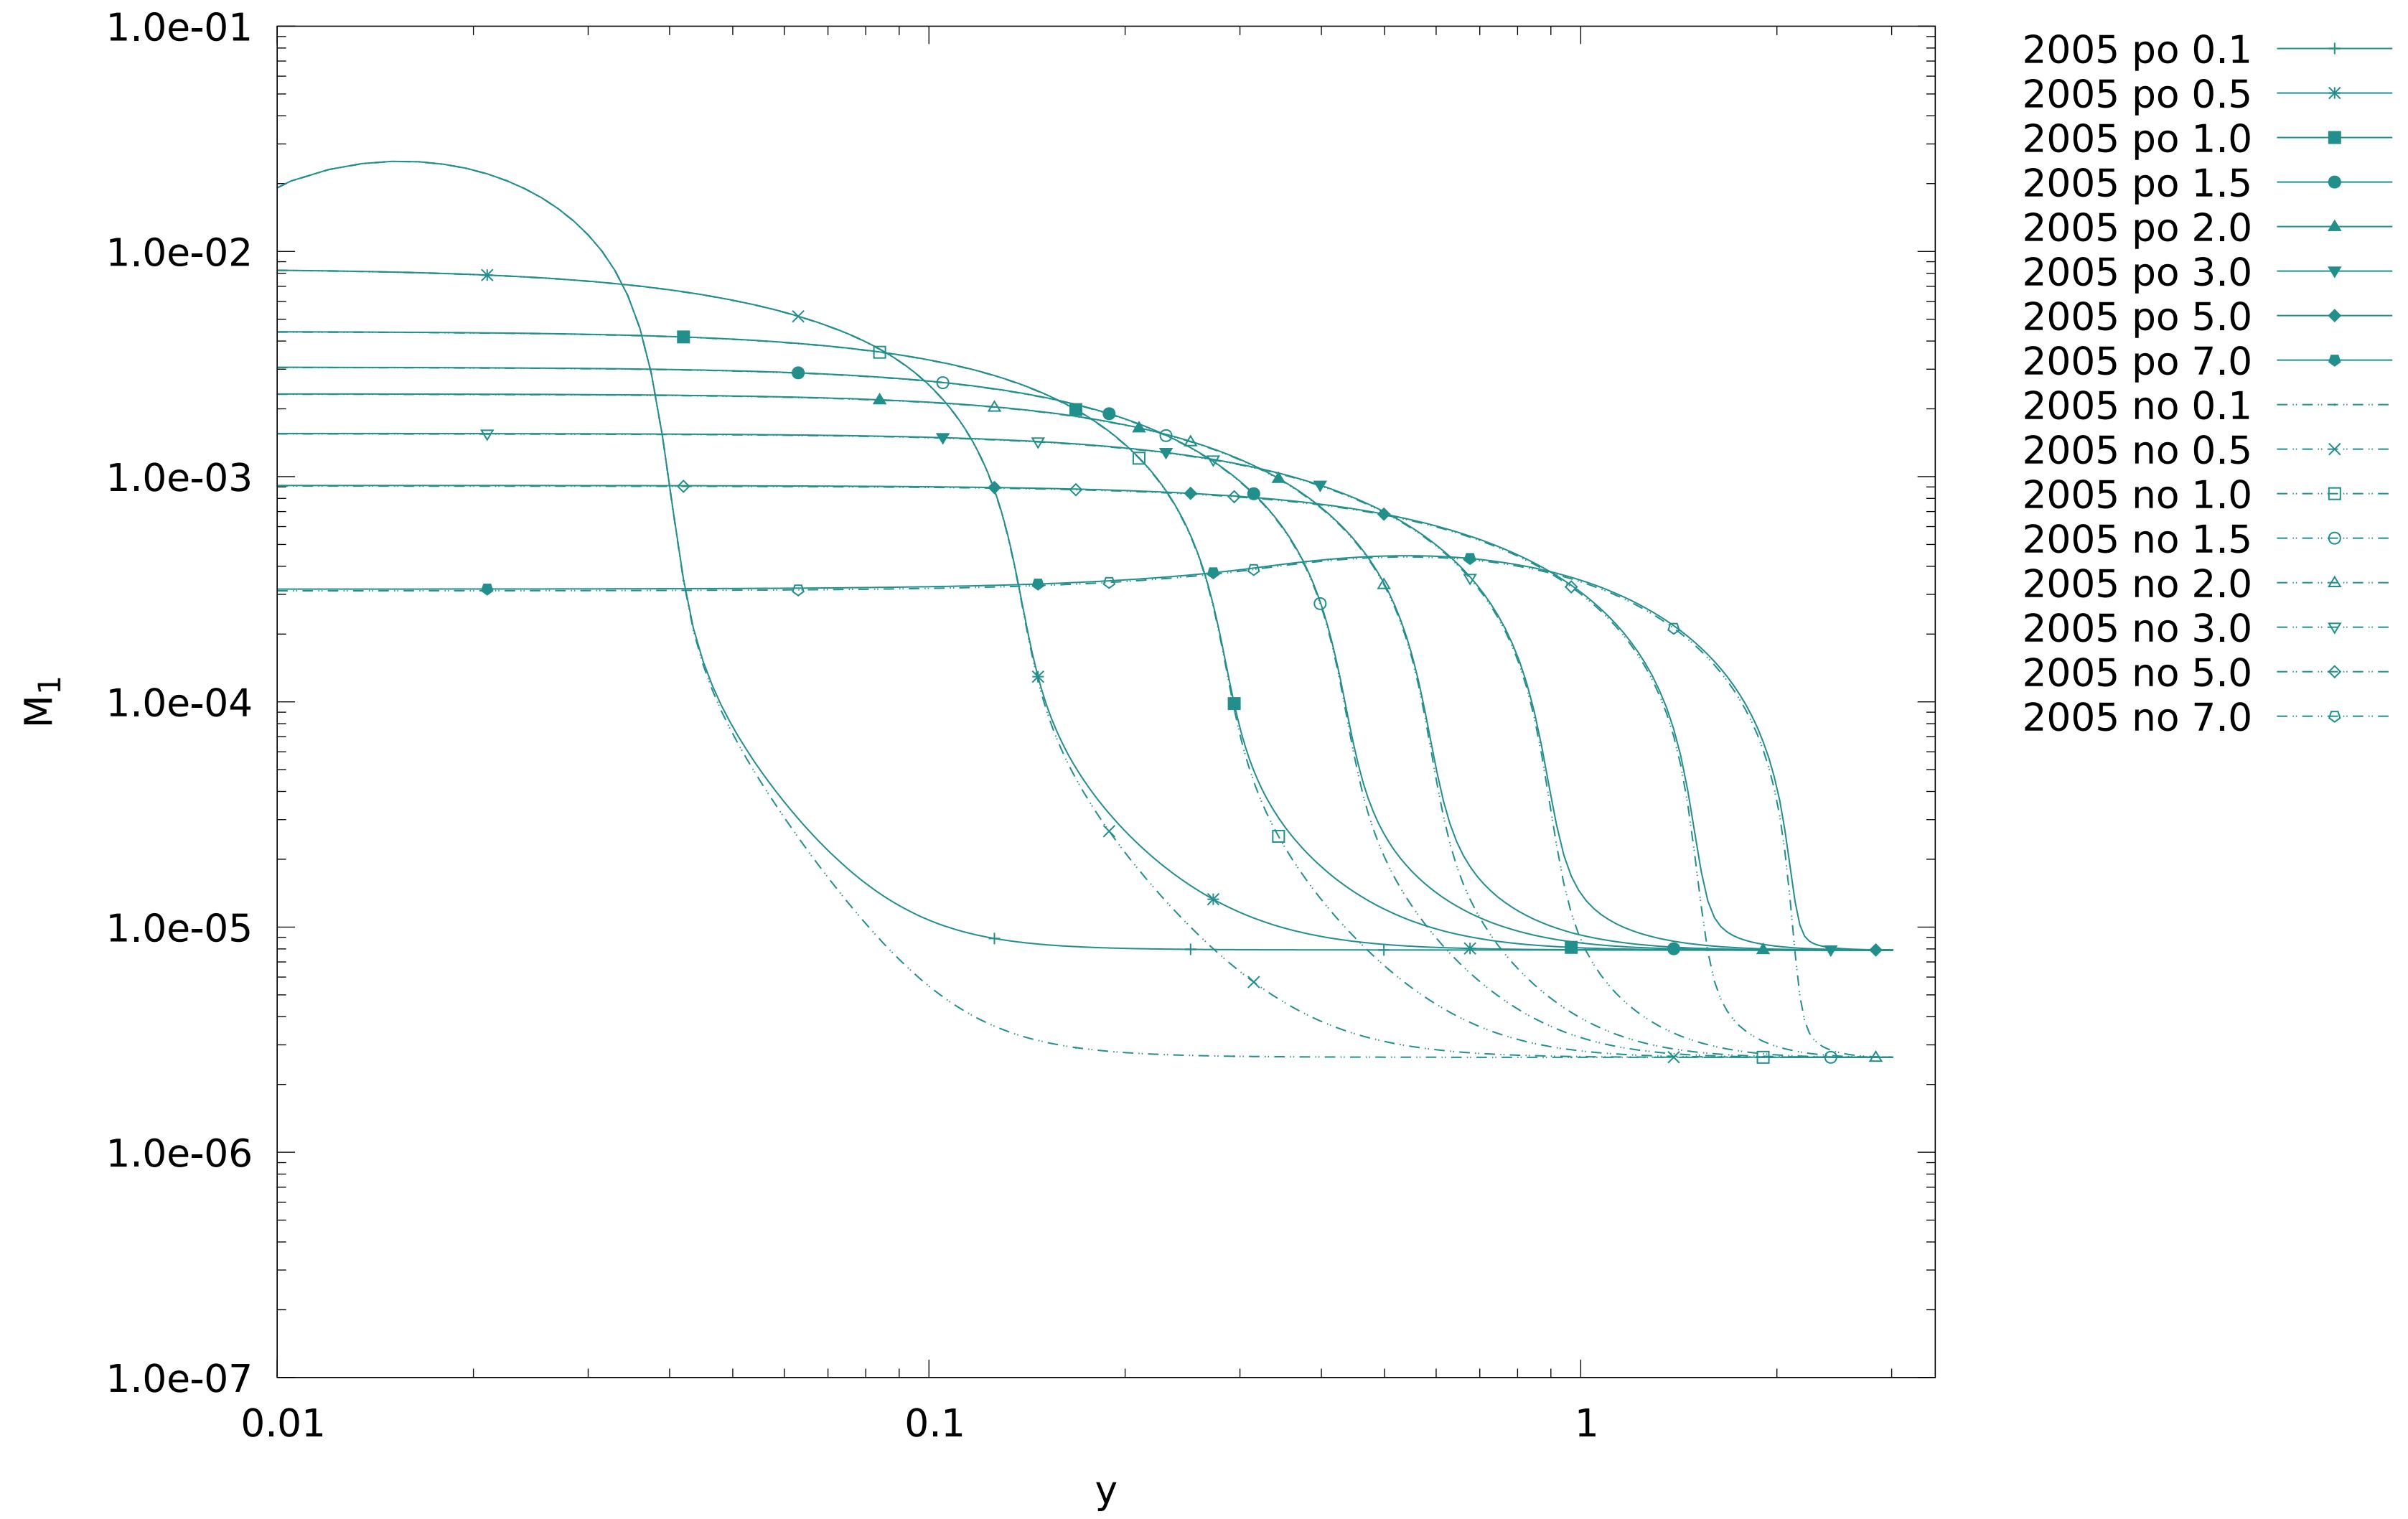

every year every distance nonpolluted M_1

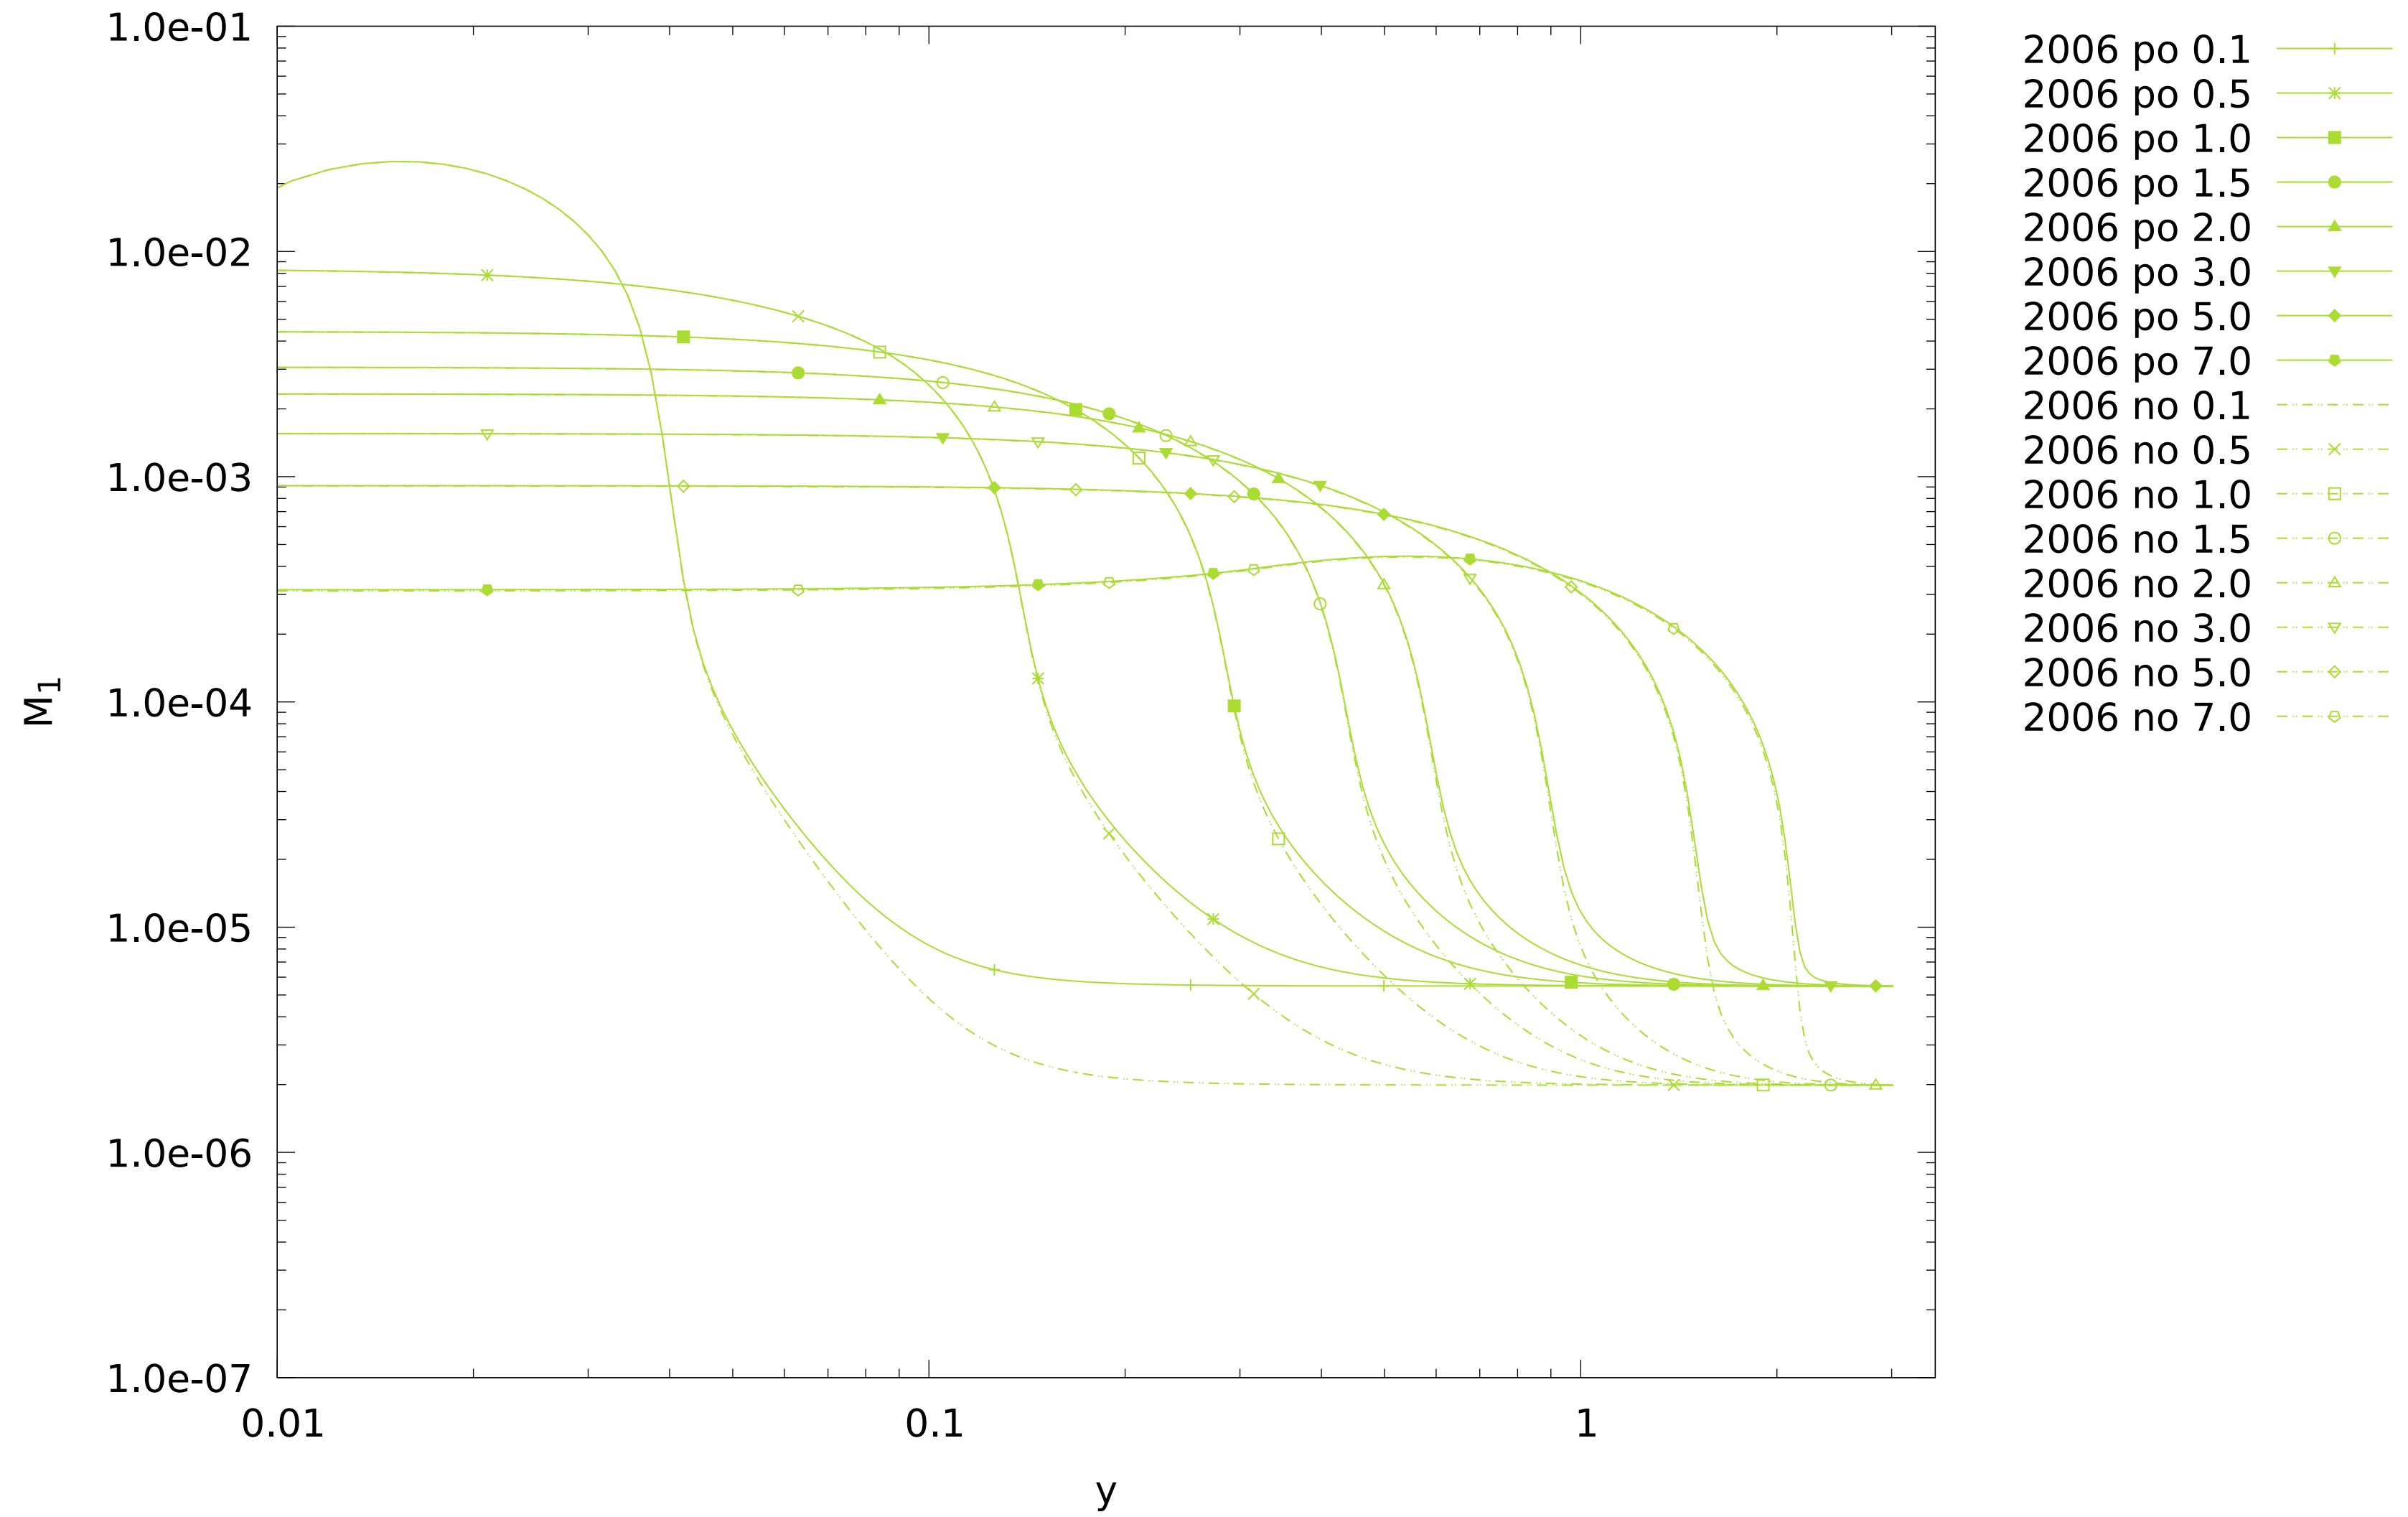

2004 every distance polluted and nonpolluted M_1

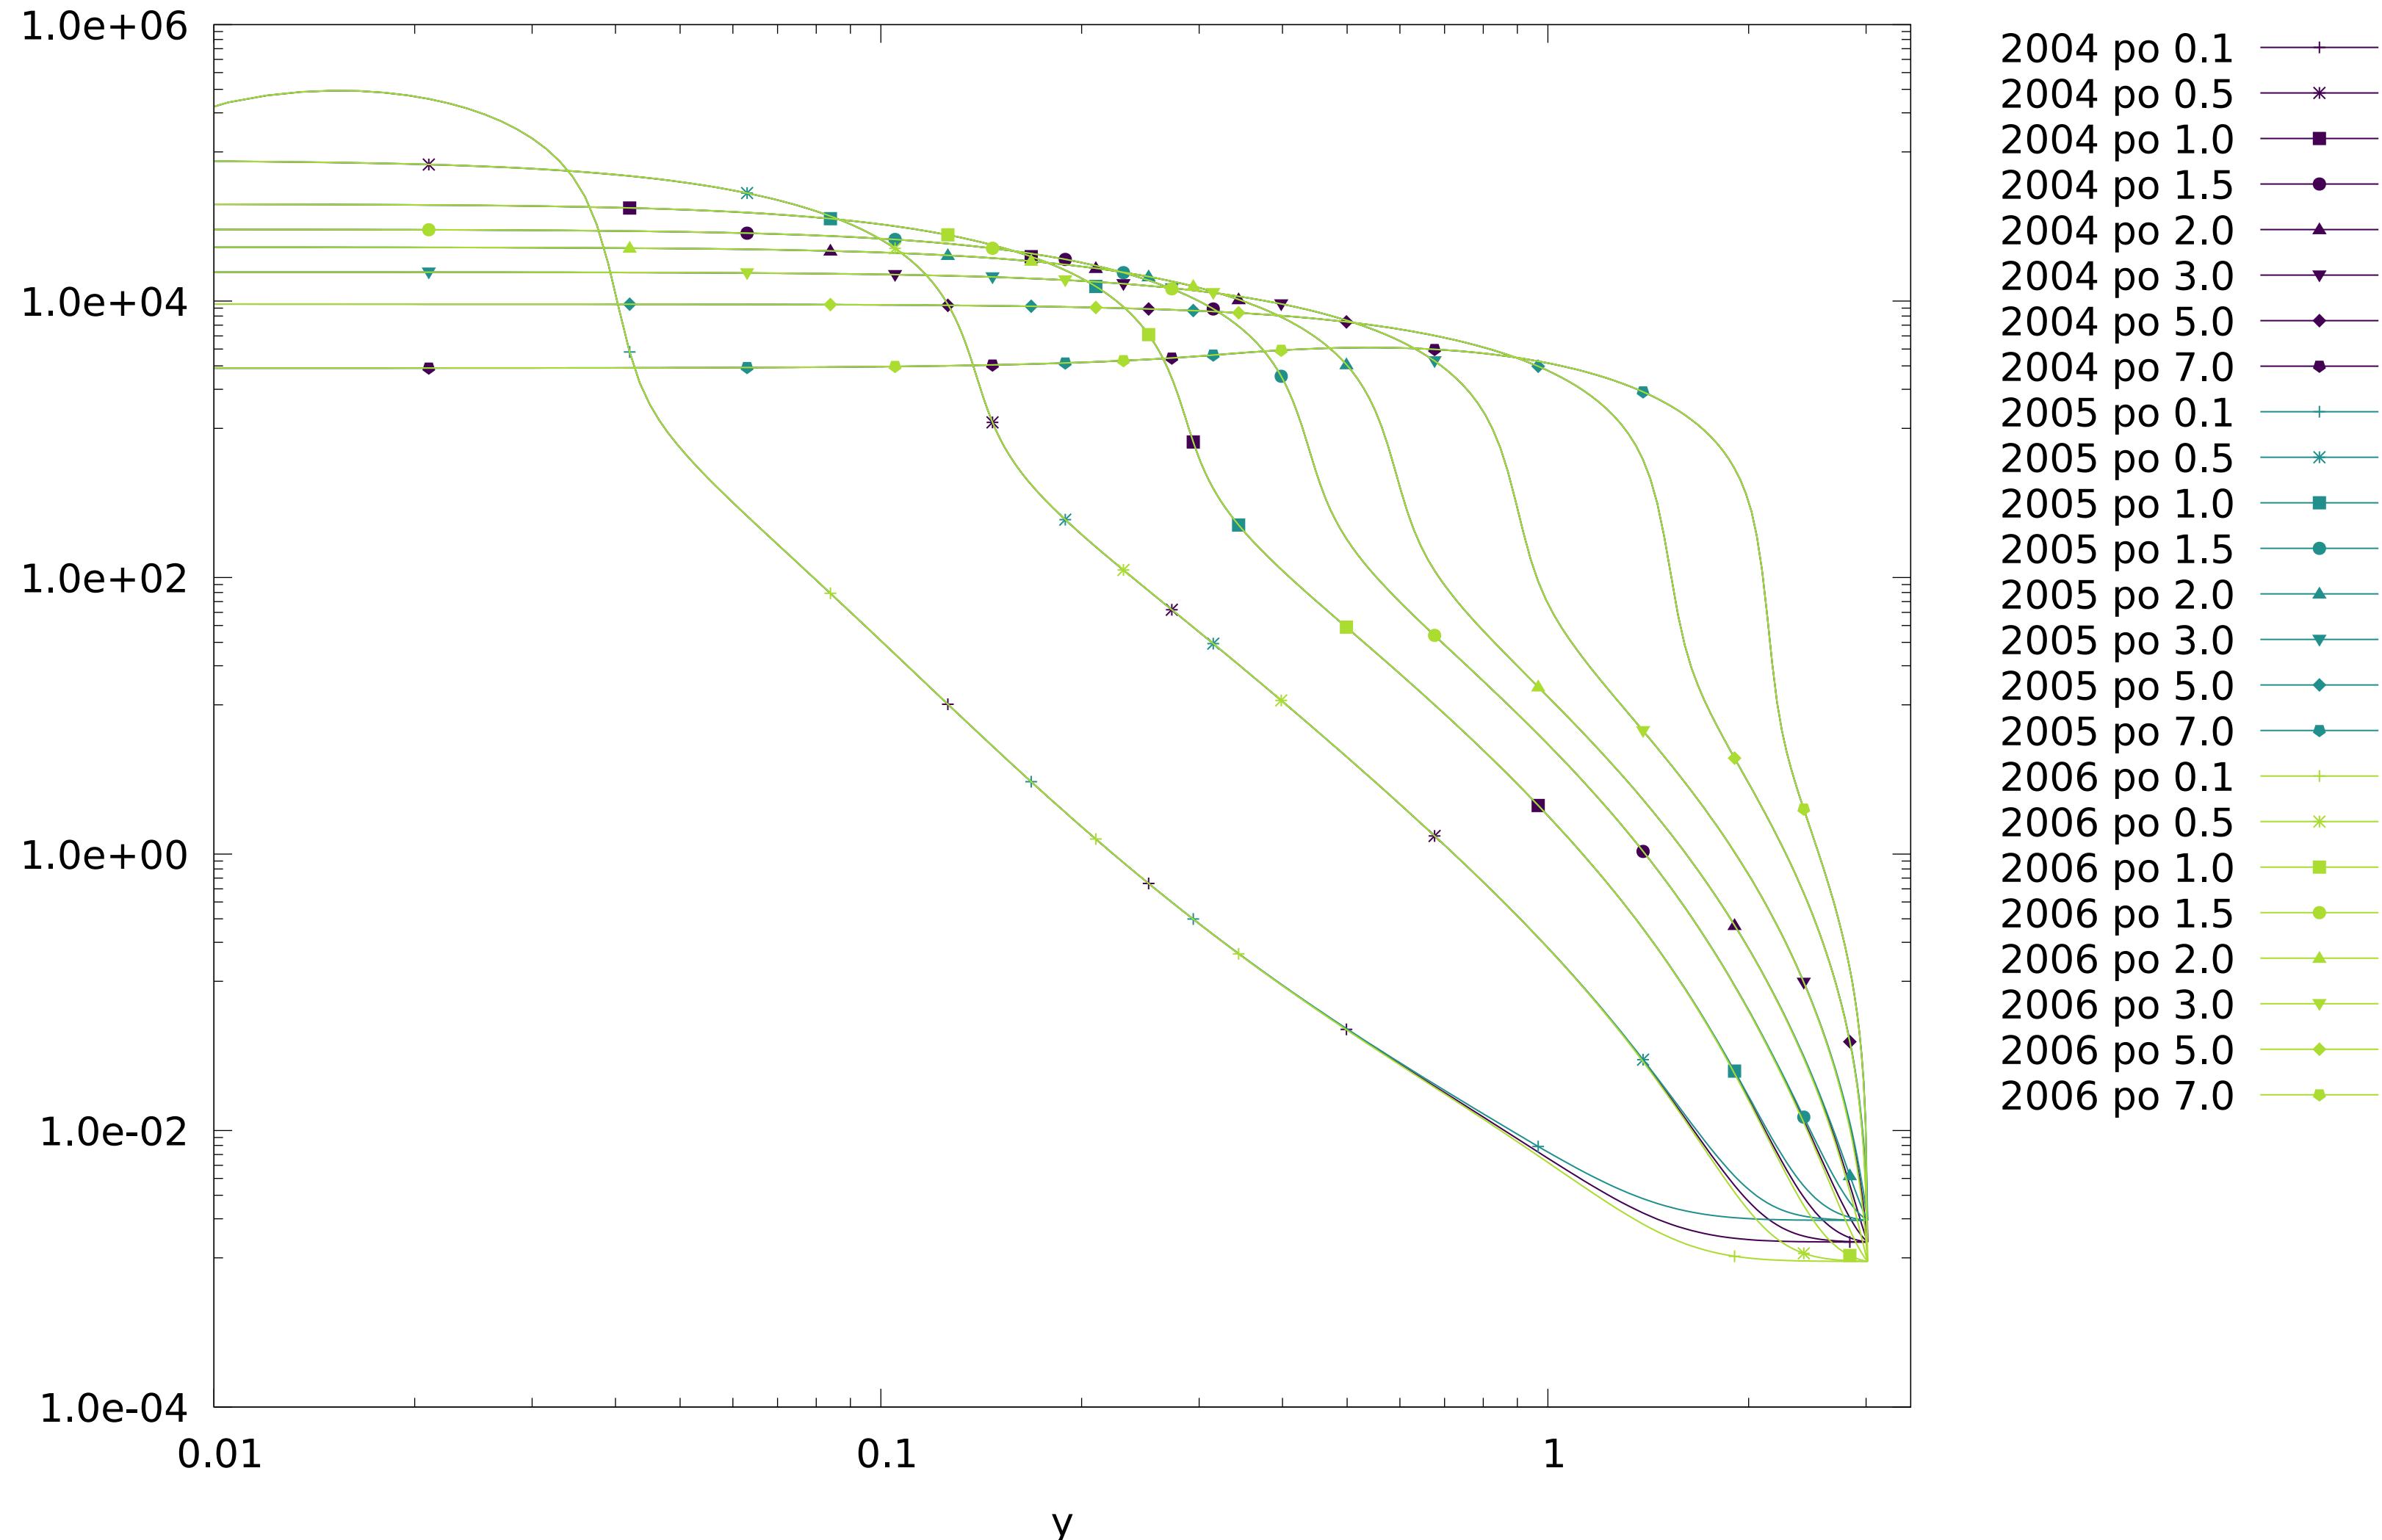

2005 every distance polluted and nonpolluted M_1

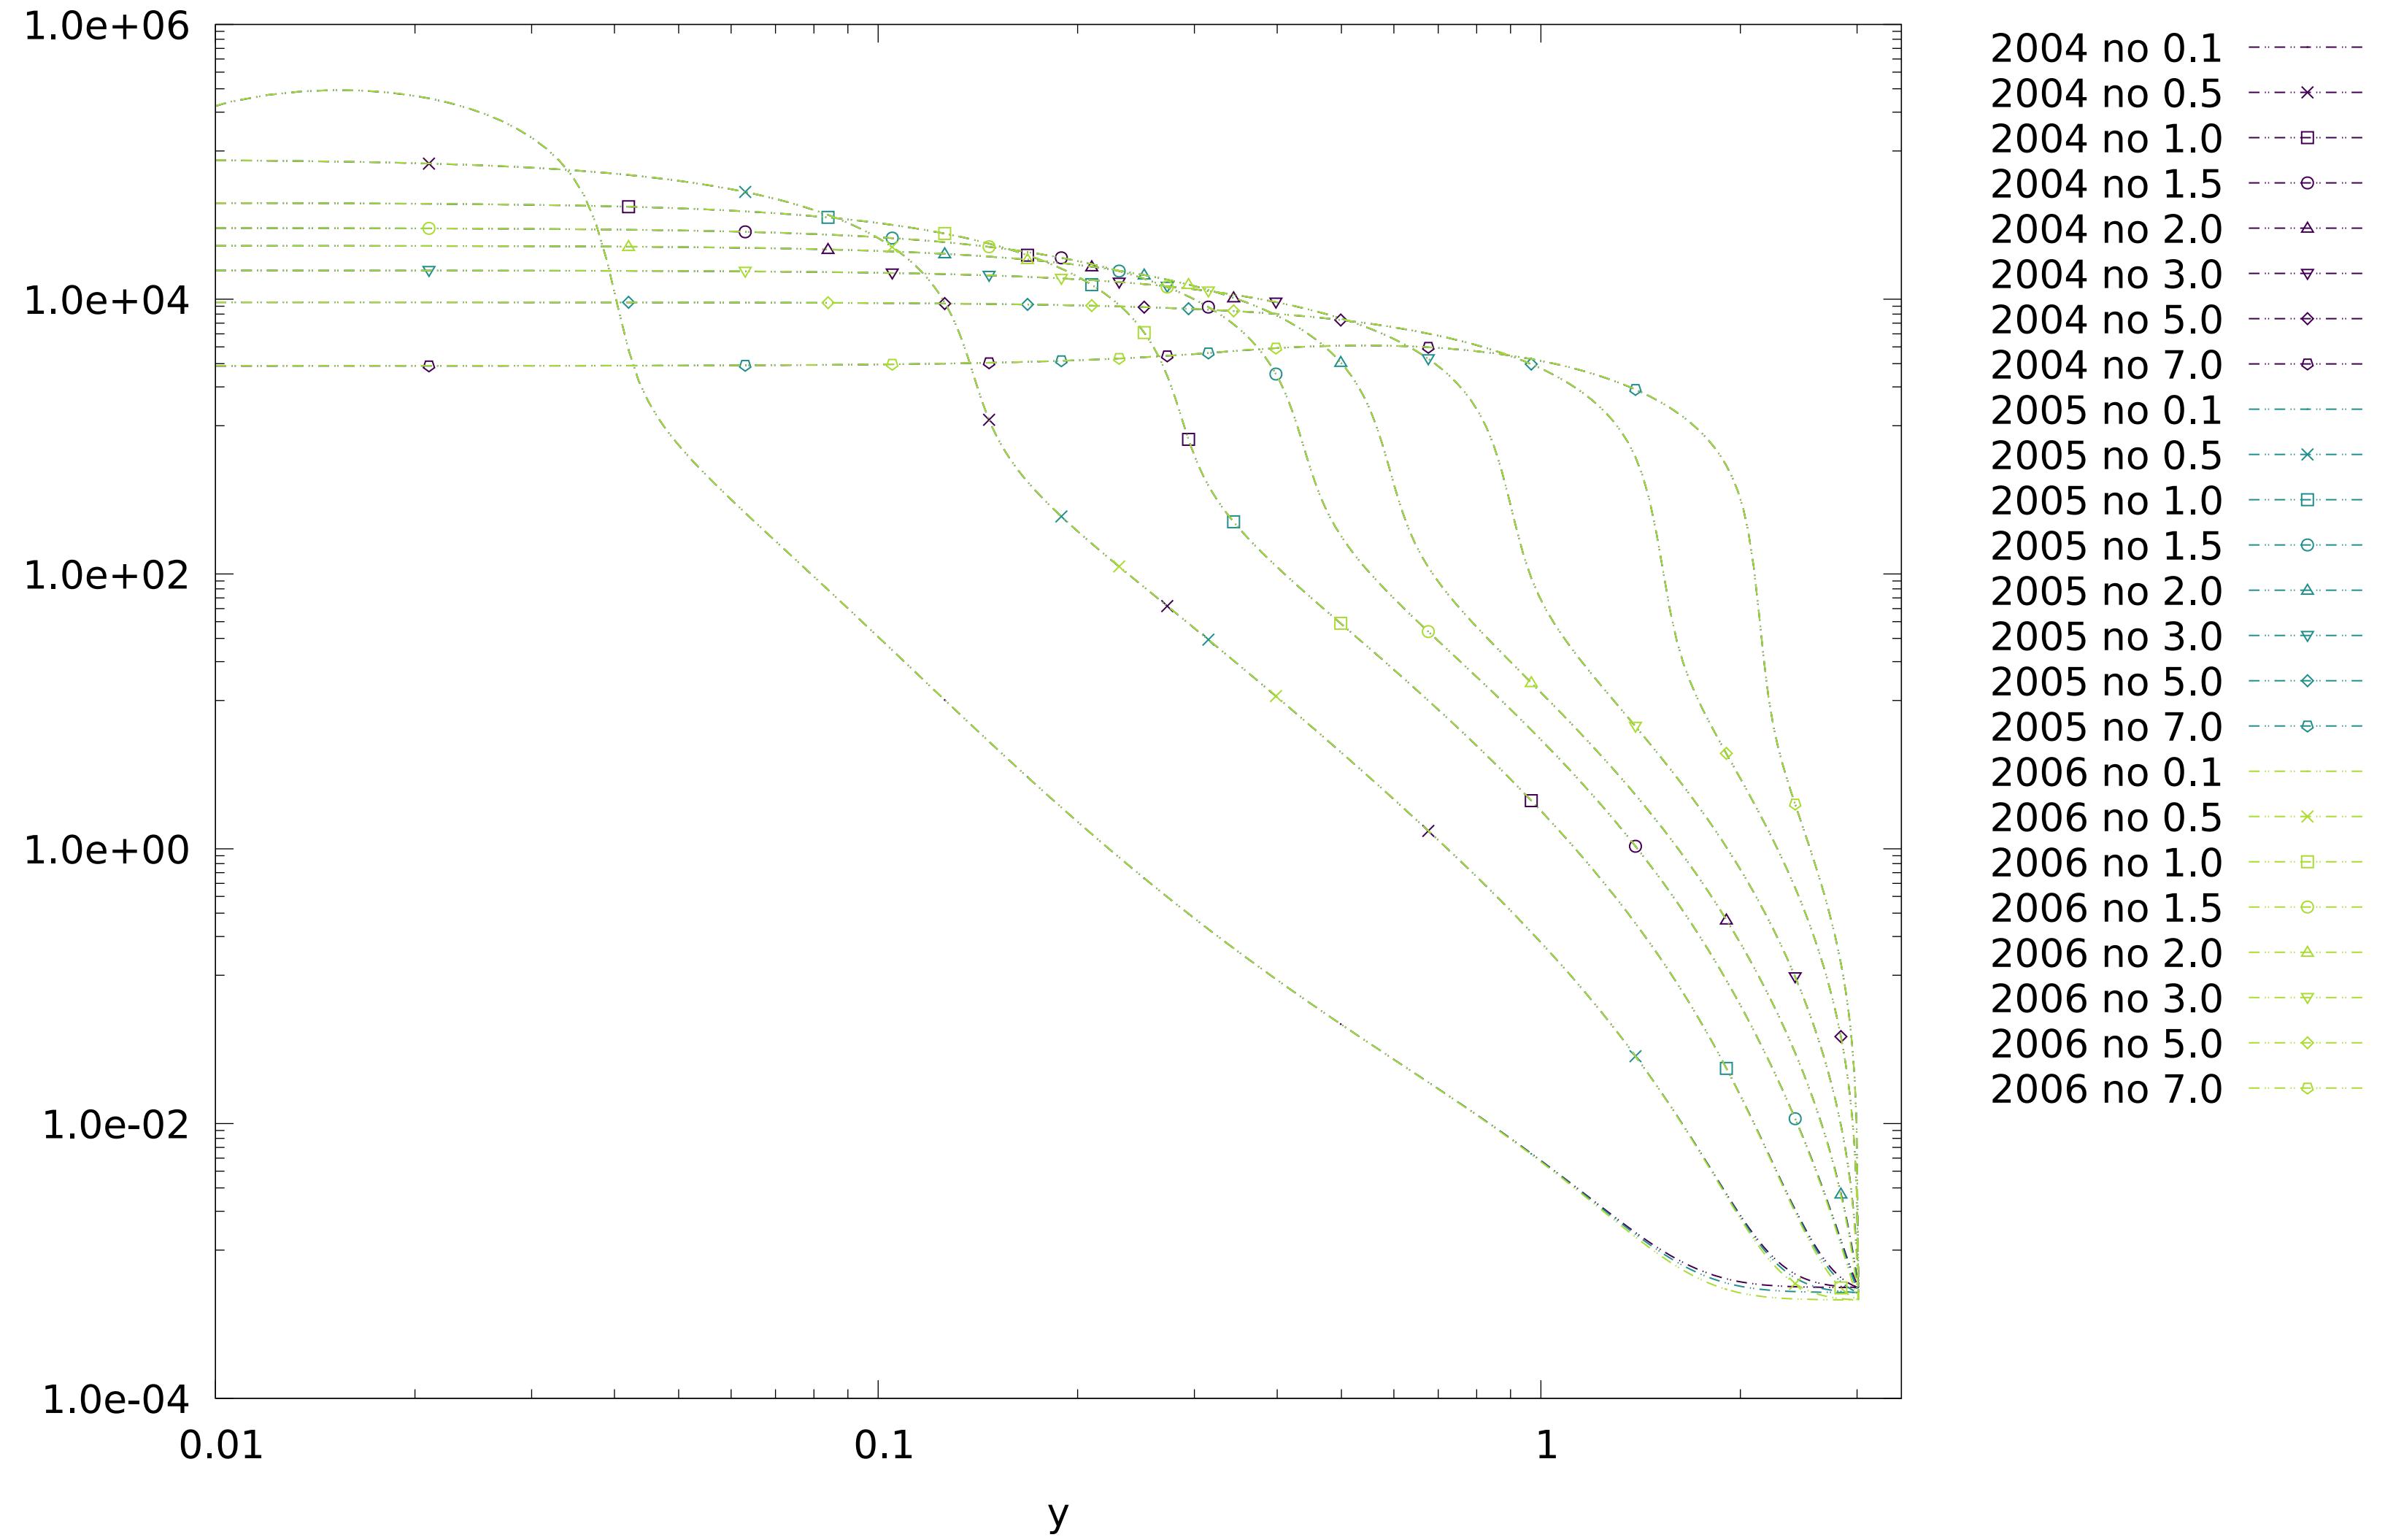

2006 every distance polluted and nonpolluted M_1

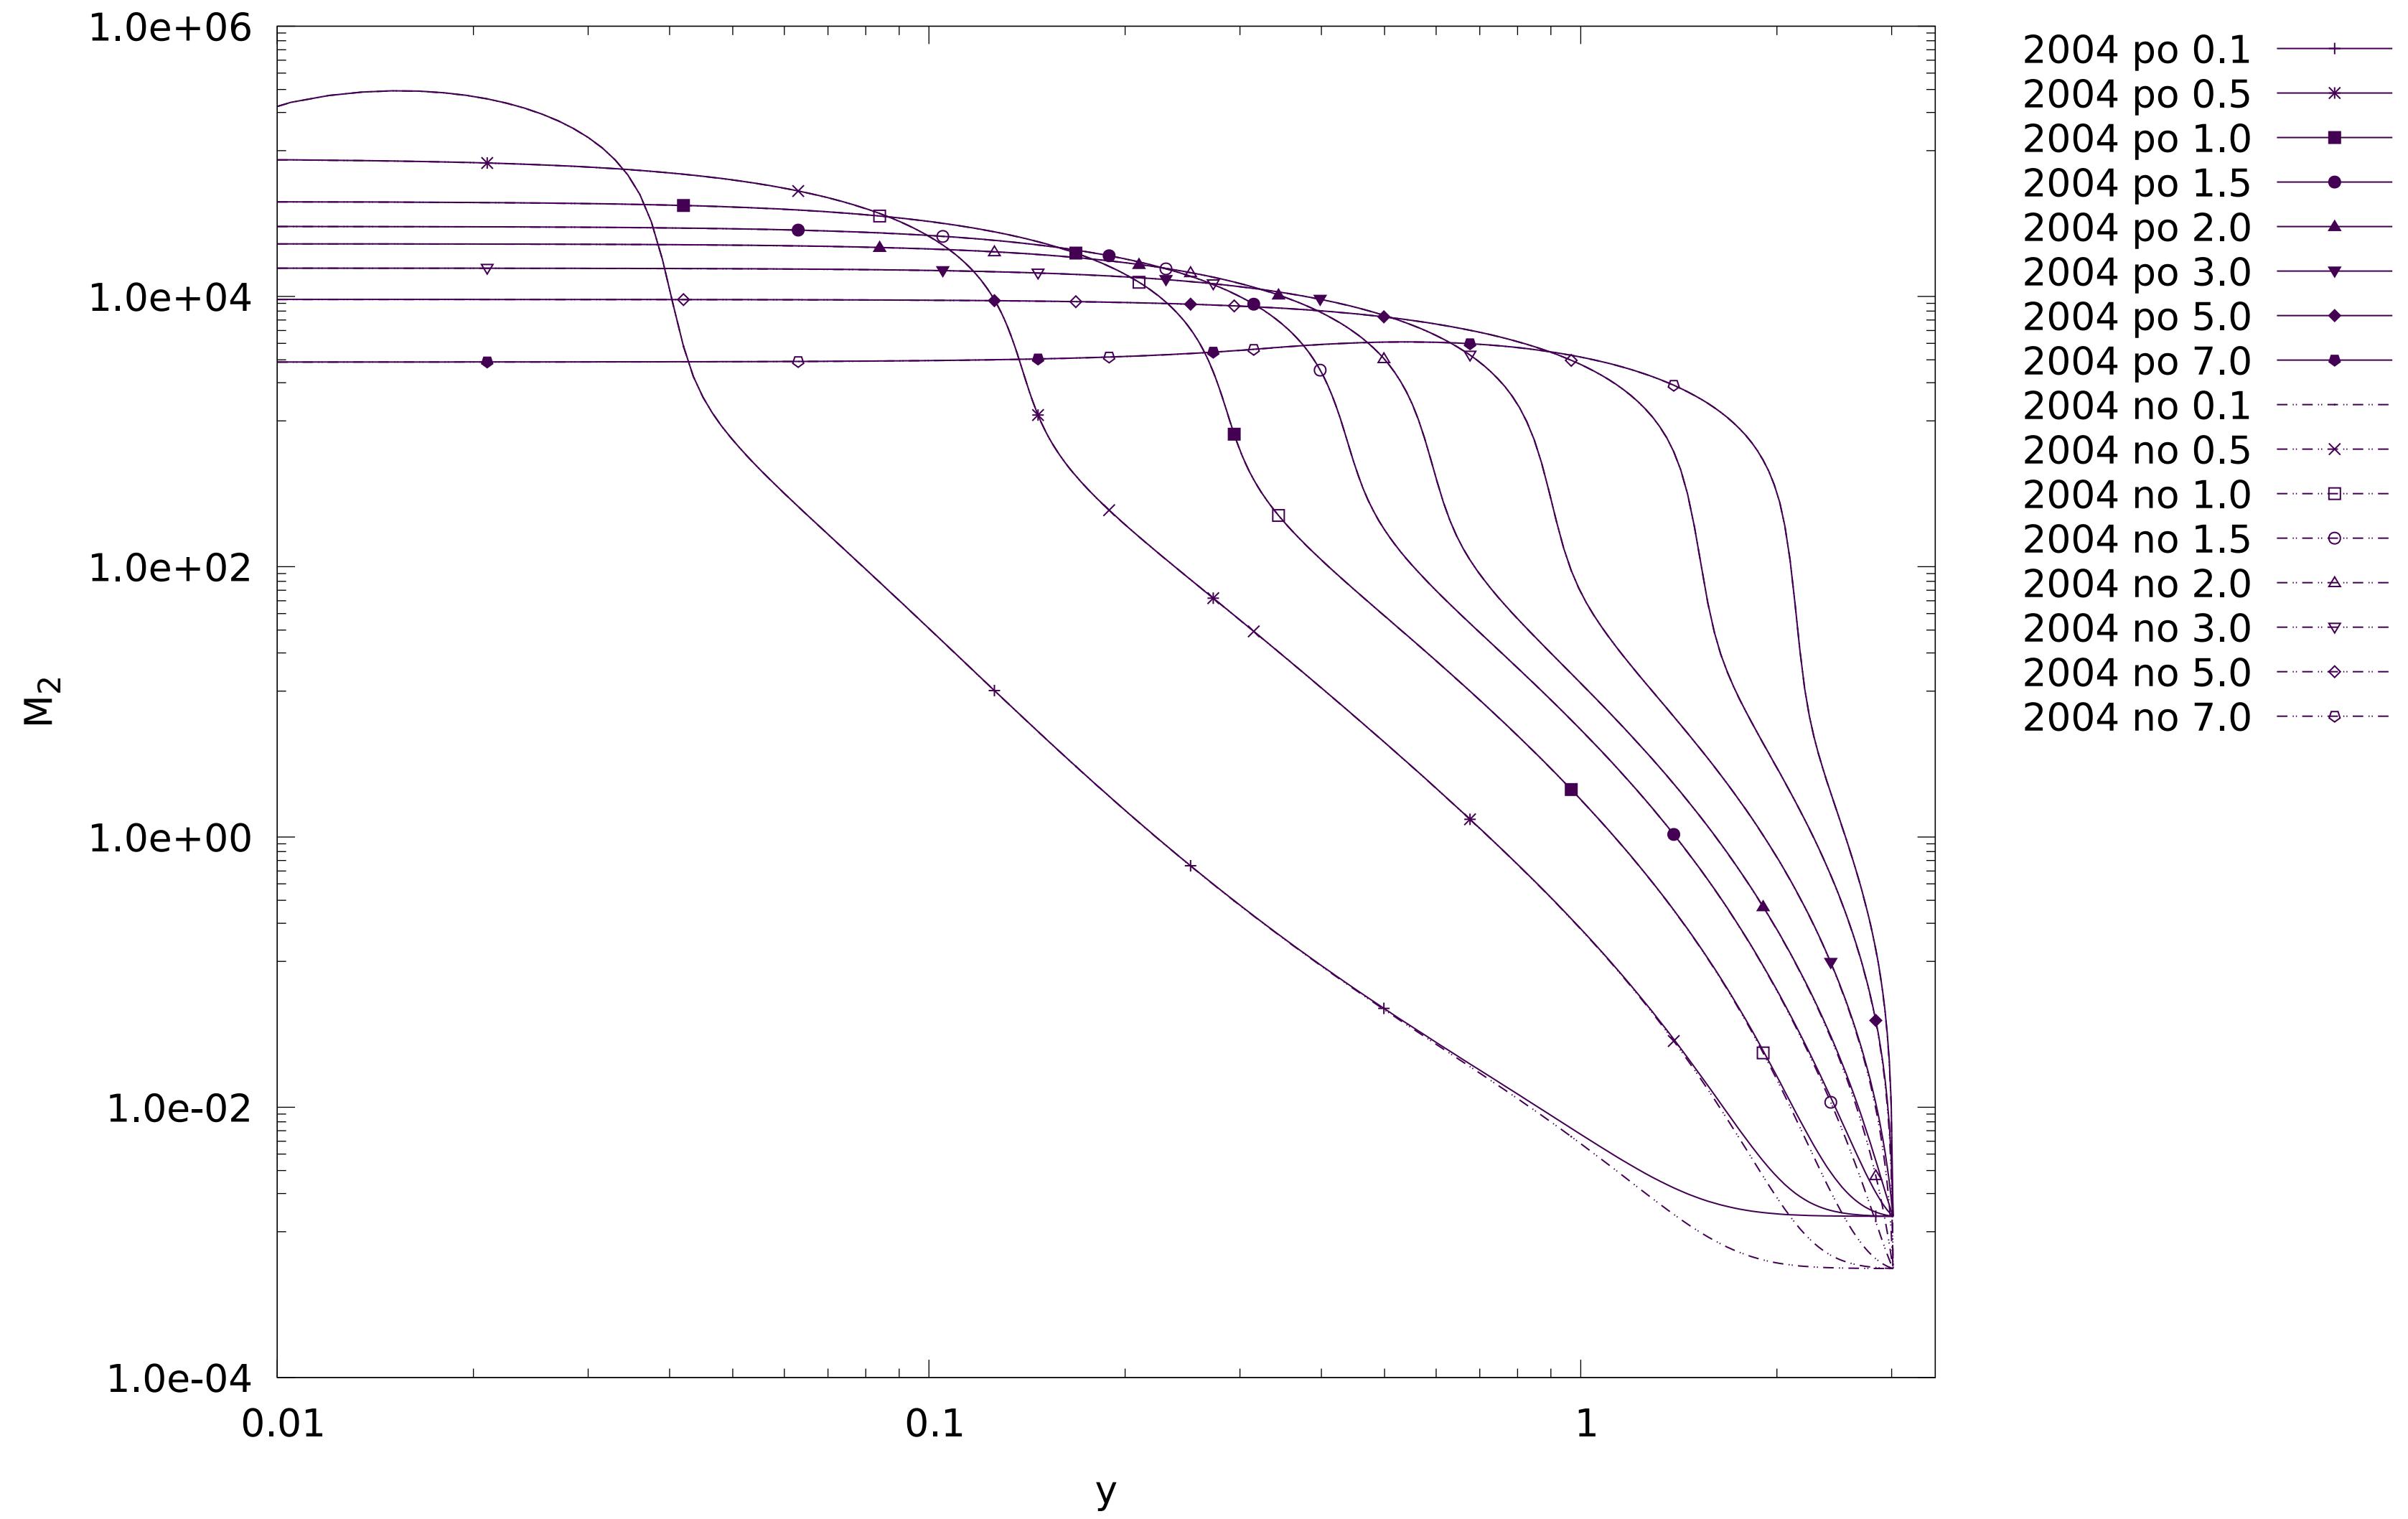

every year every distance polluted M₂

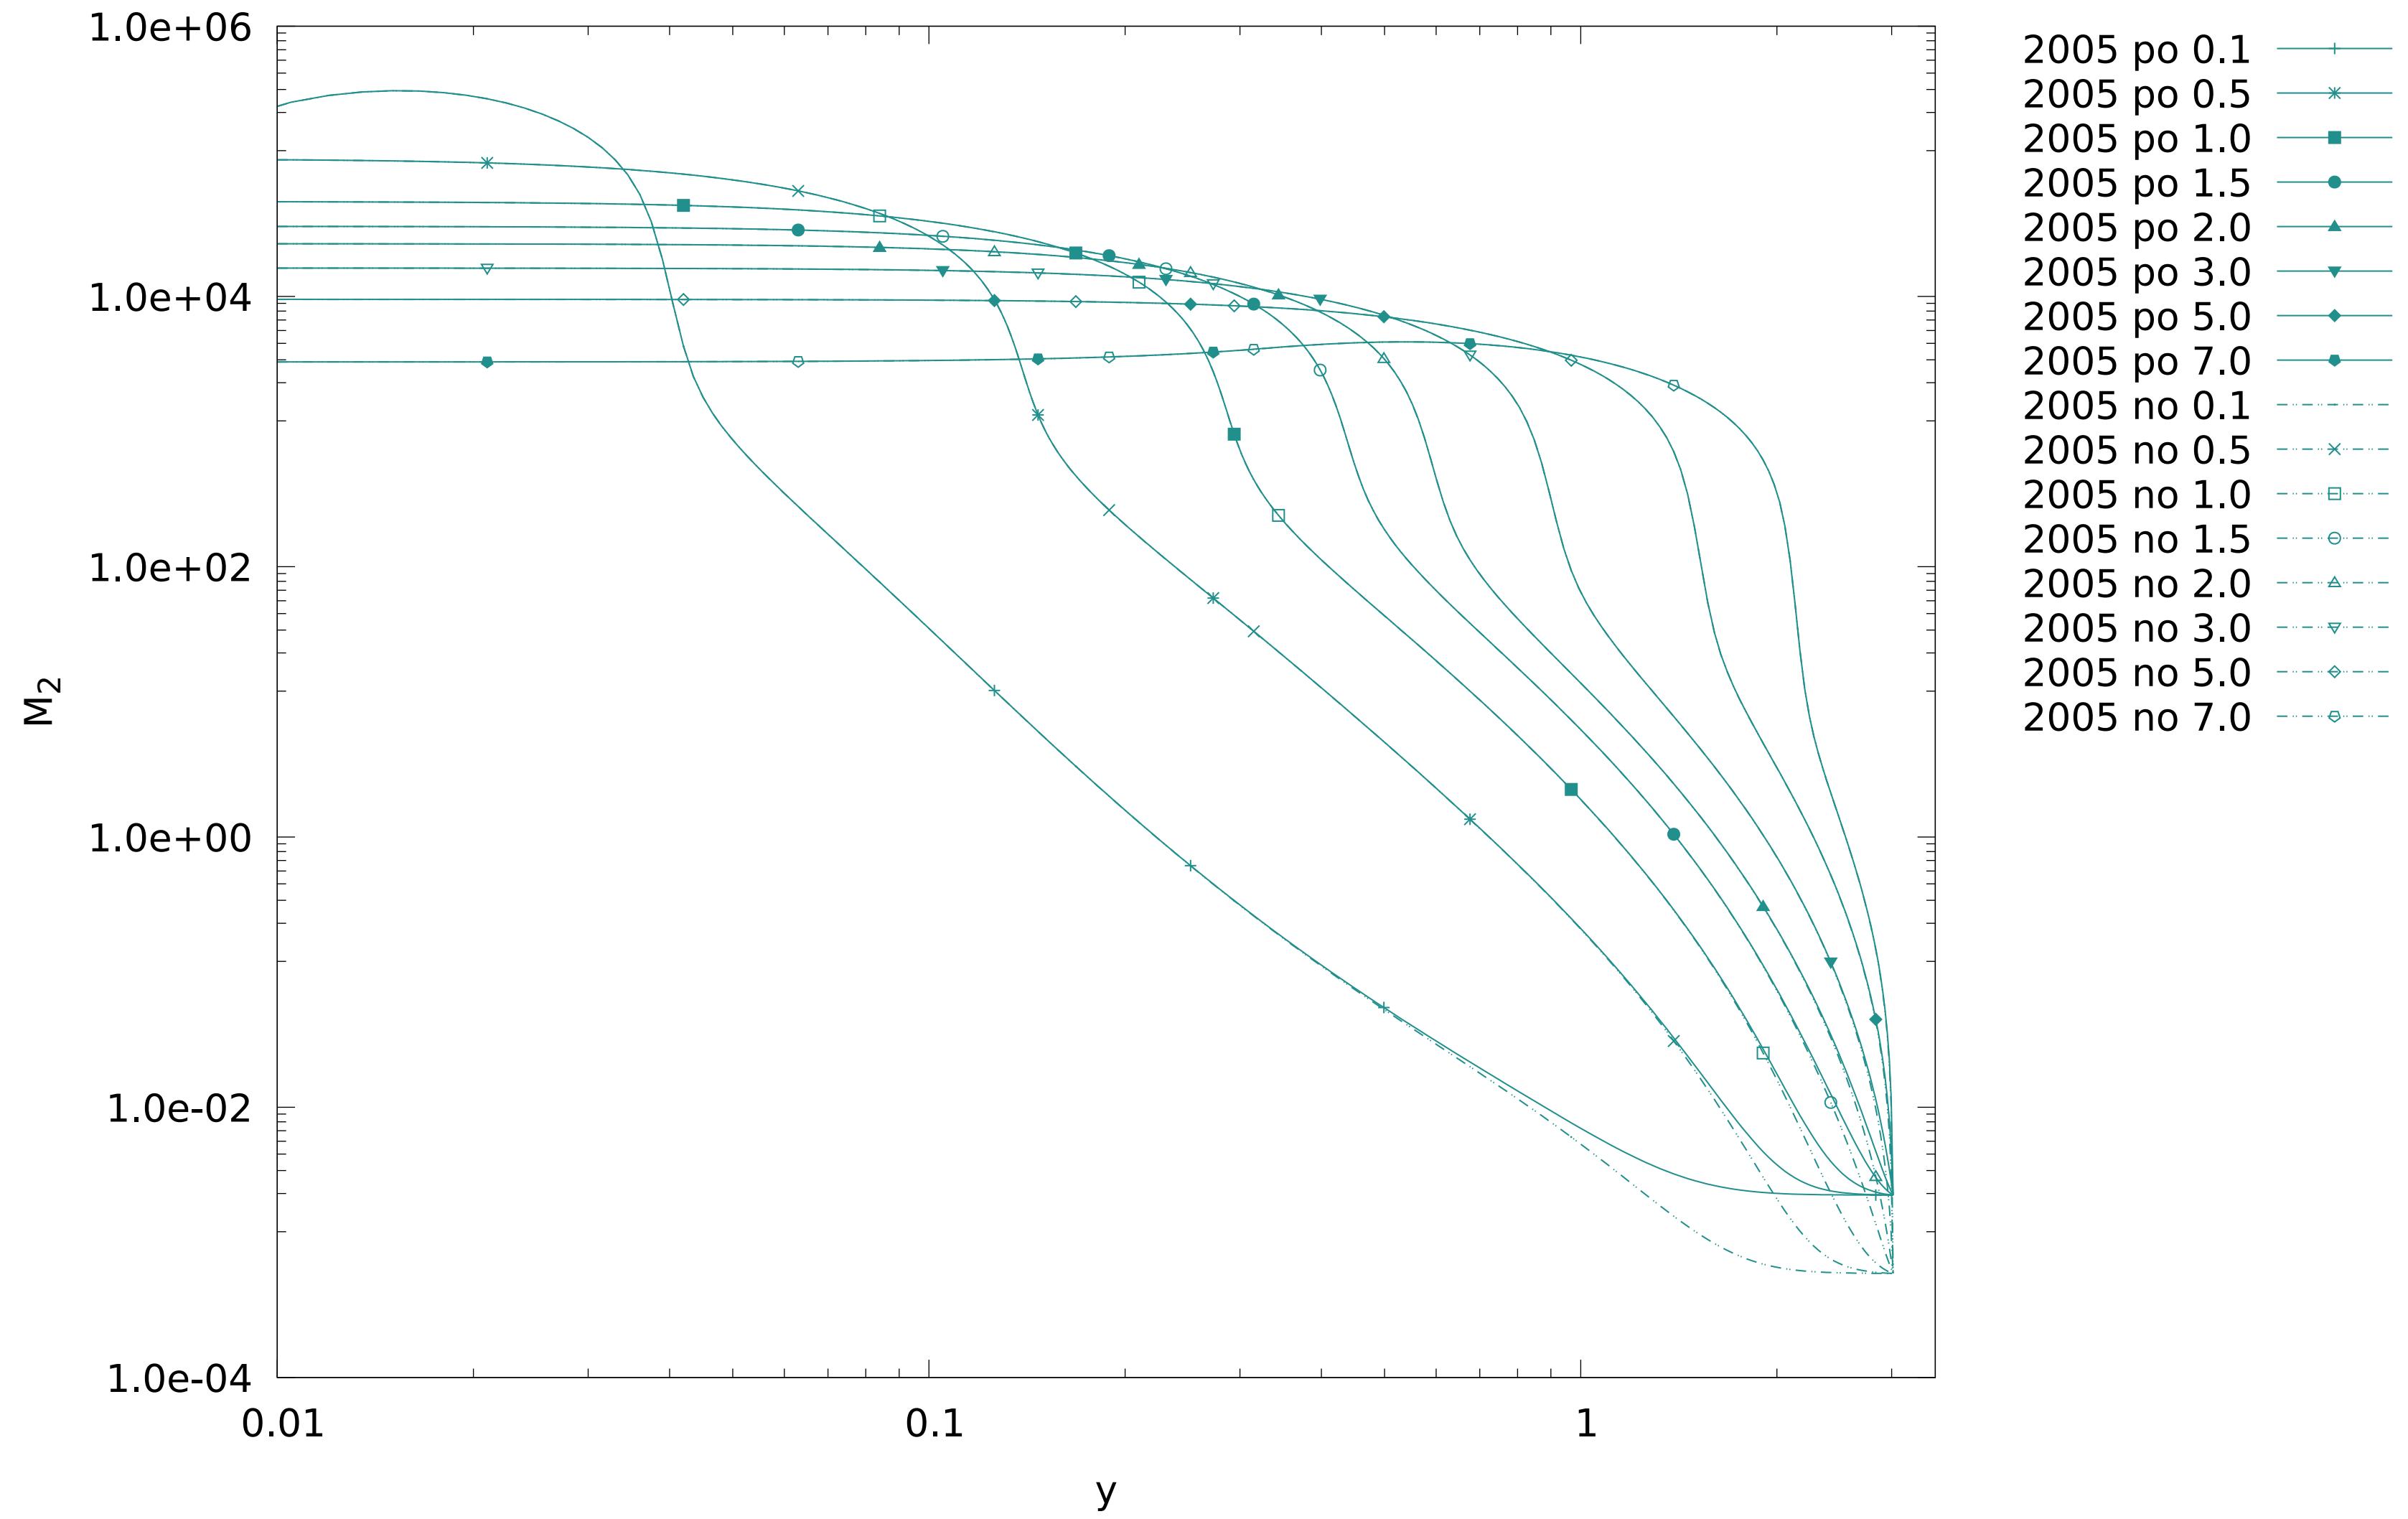

every year every distance nonpolluted M_2

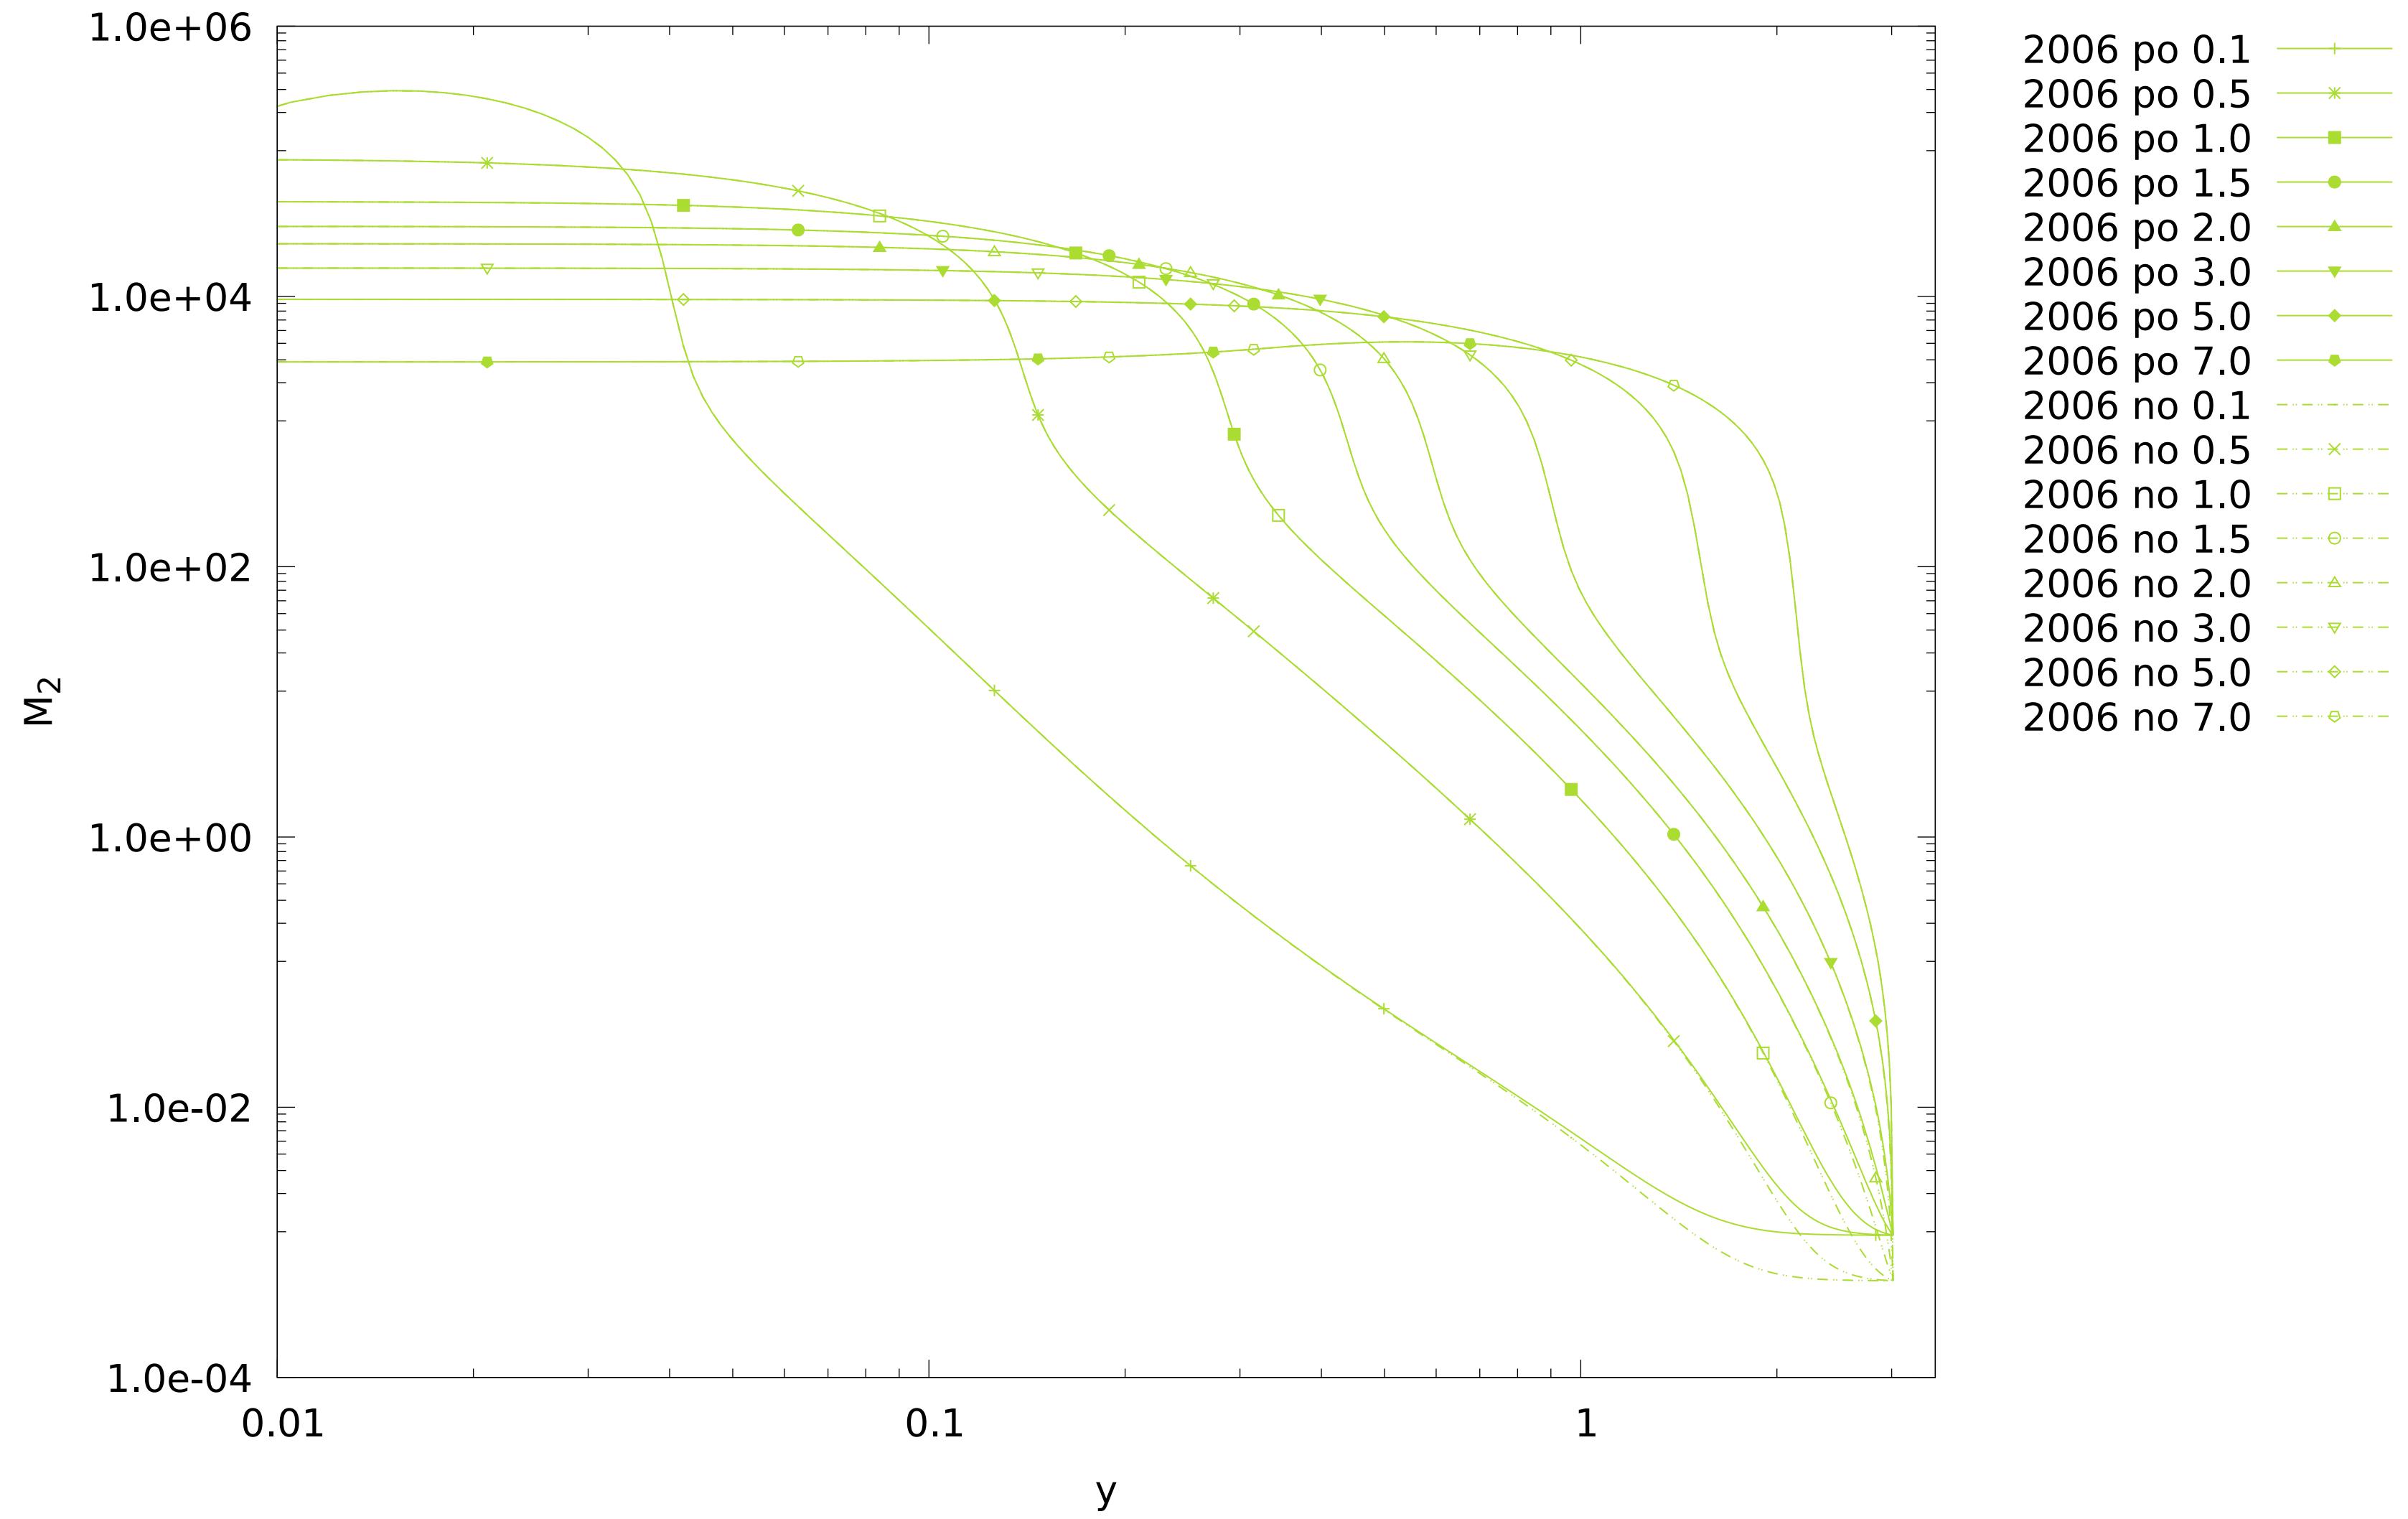

2004 every distance polluted and nonpolluted M_2

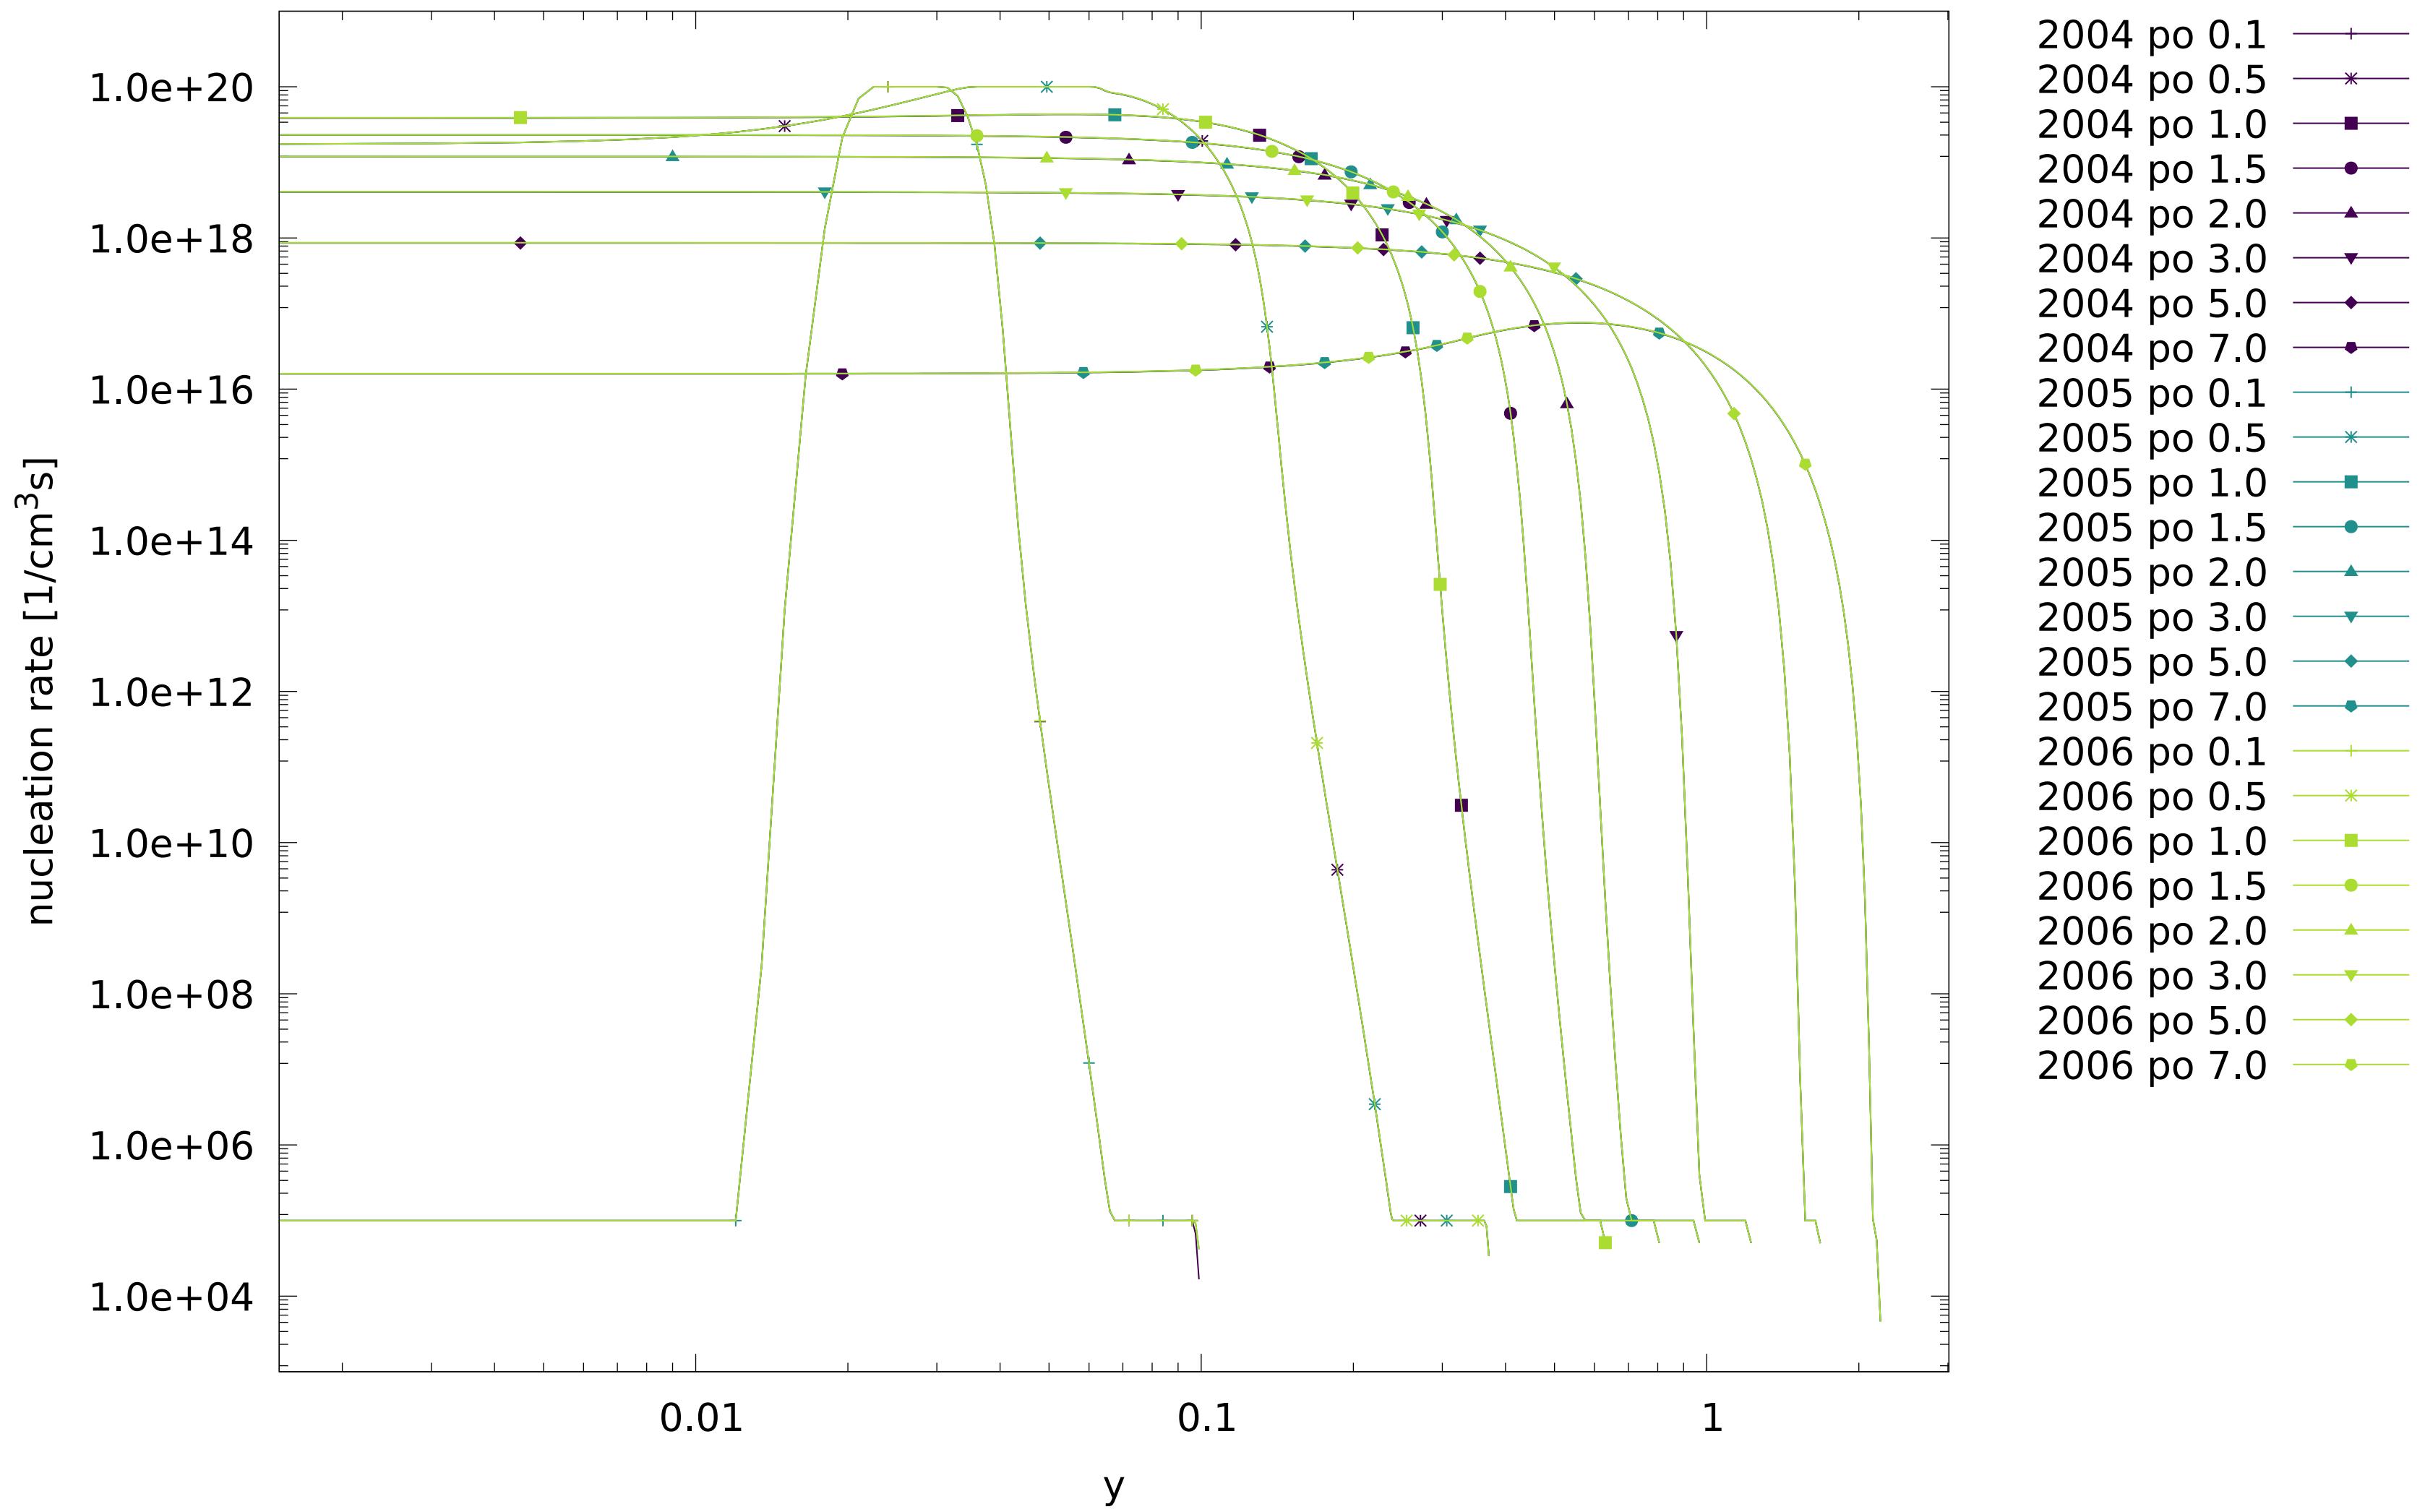

2005 every distance polluted and nonpolluted M_2

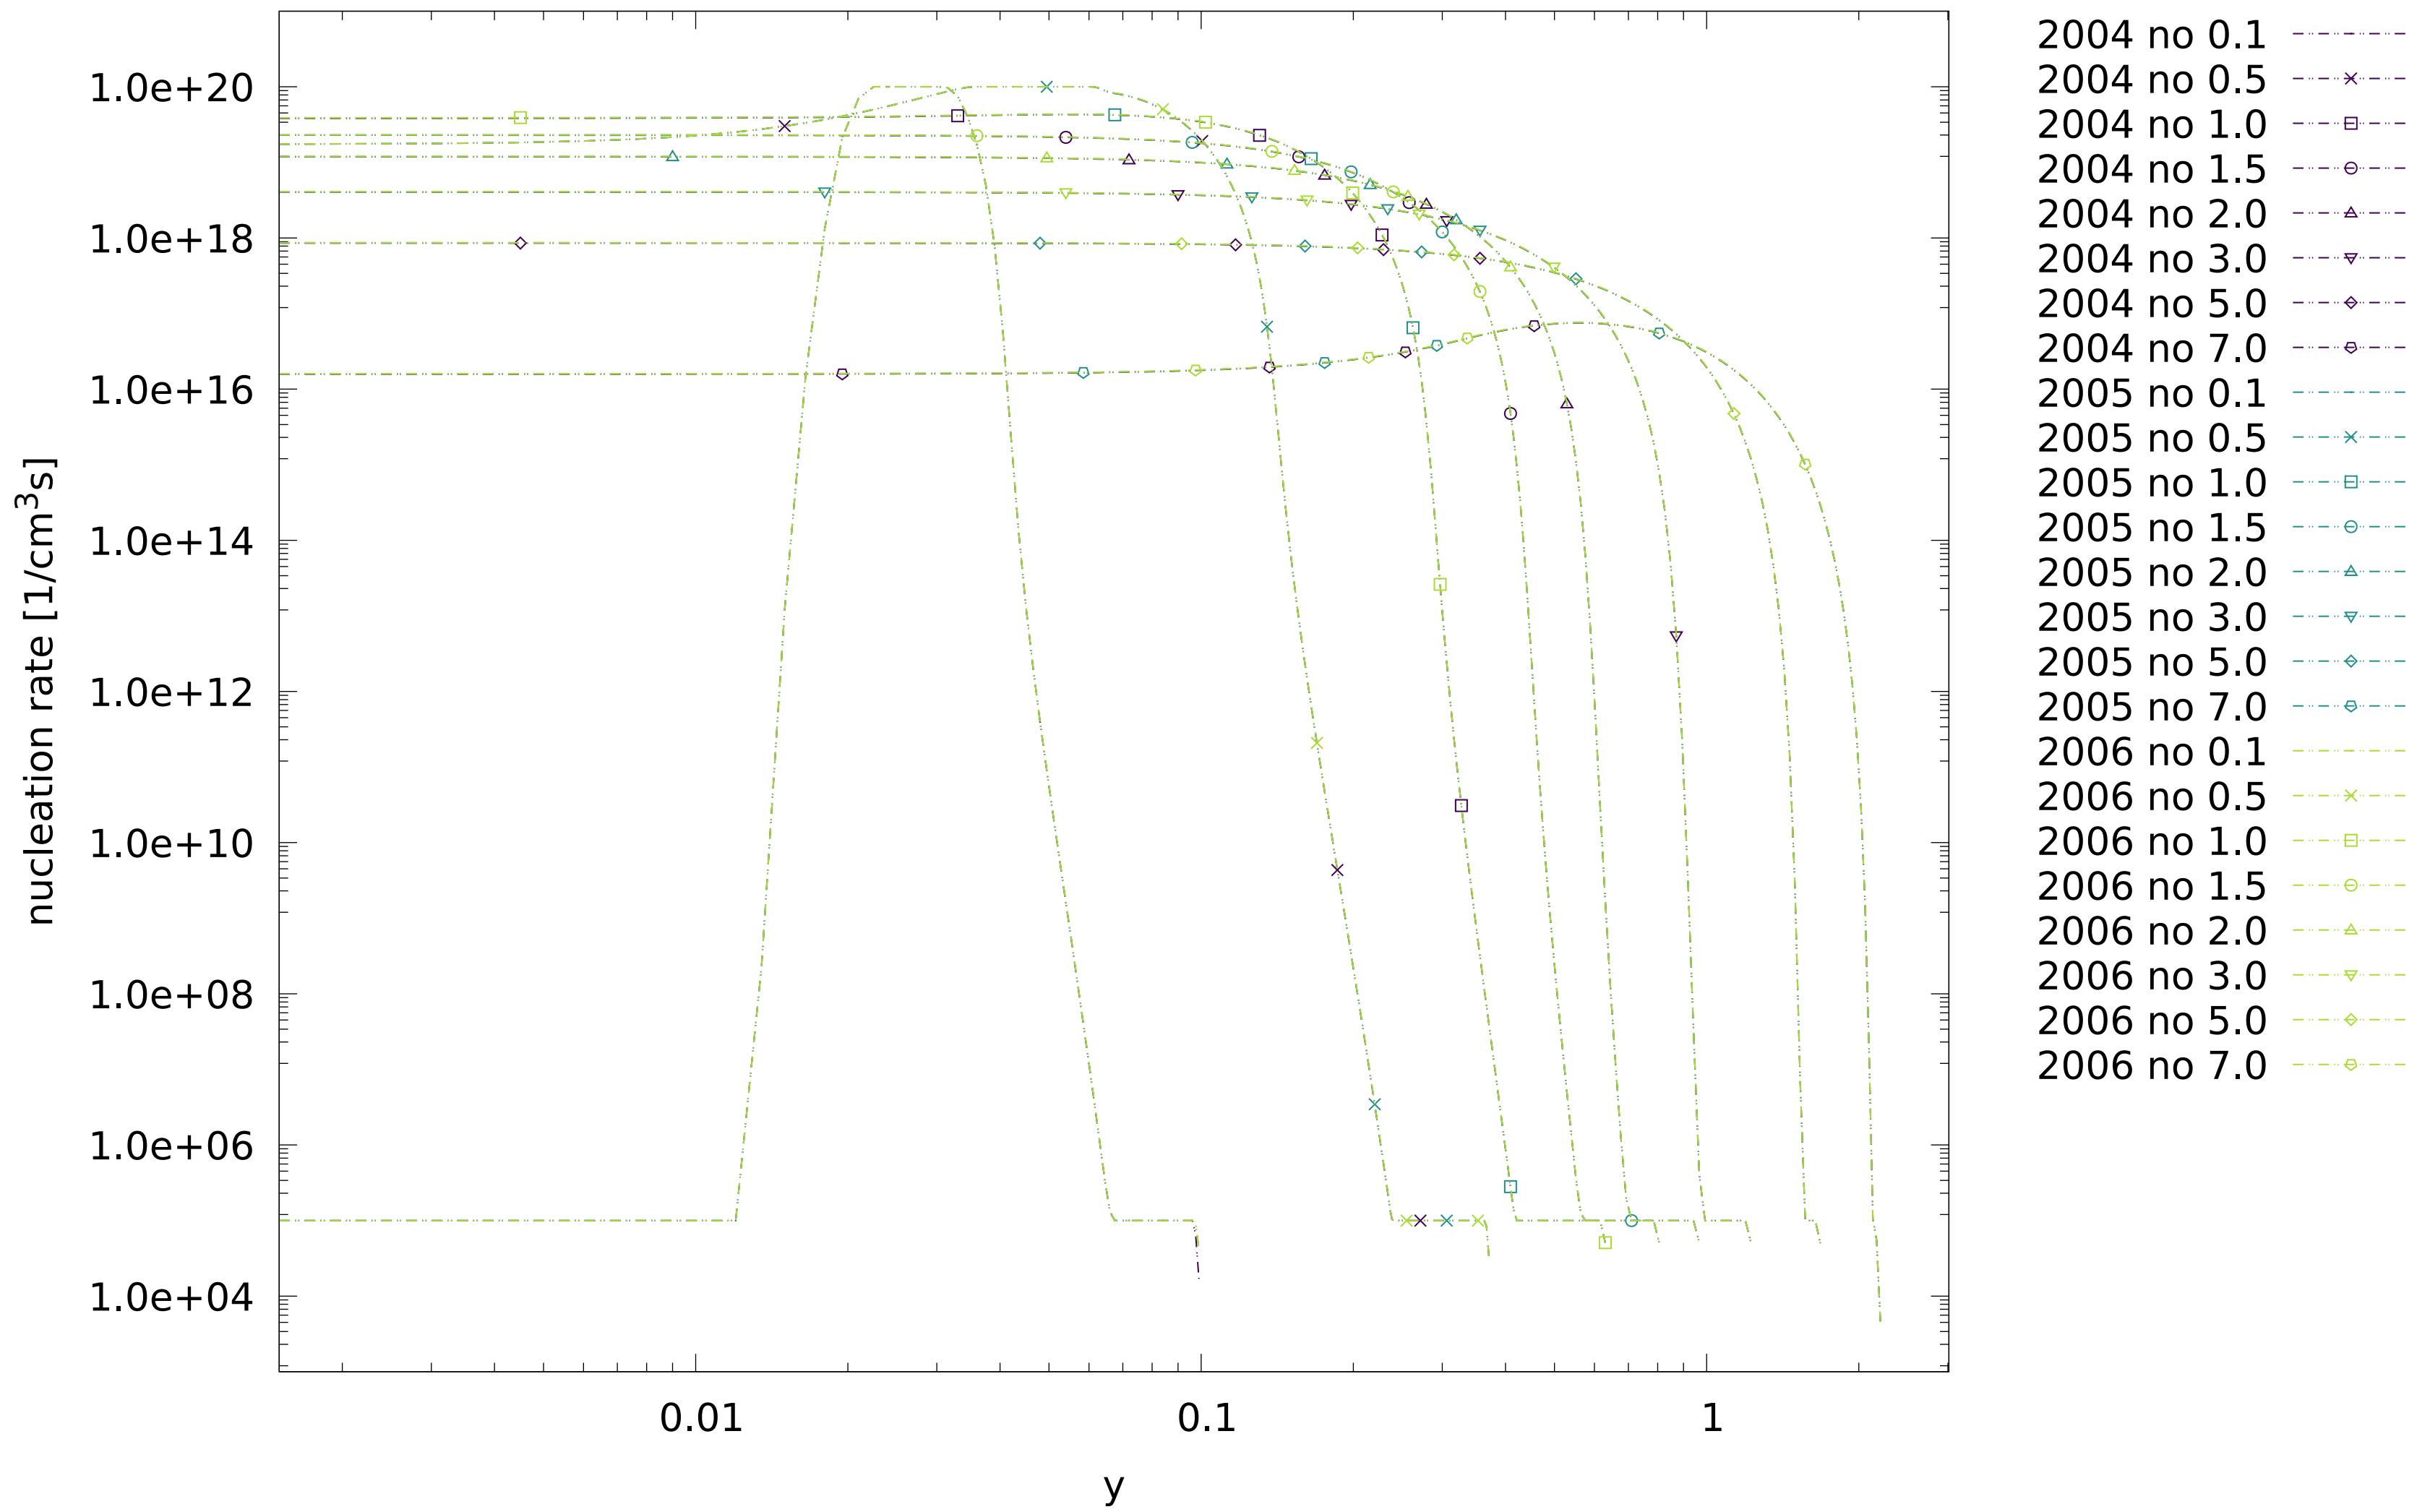

2006 every distance polluted and nonpolluted M_2

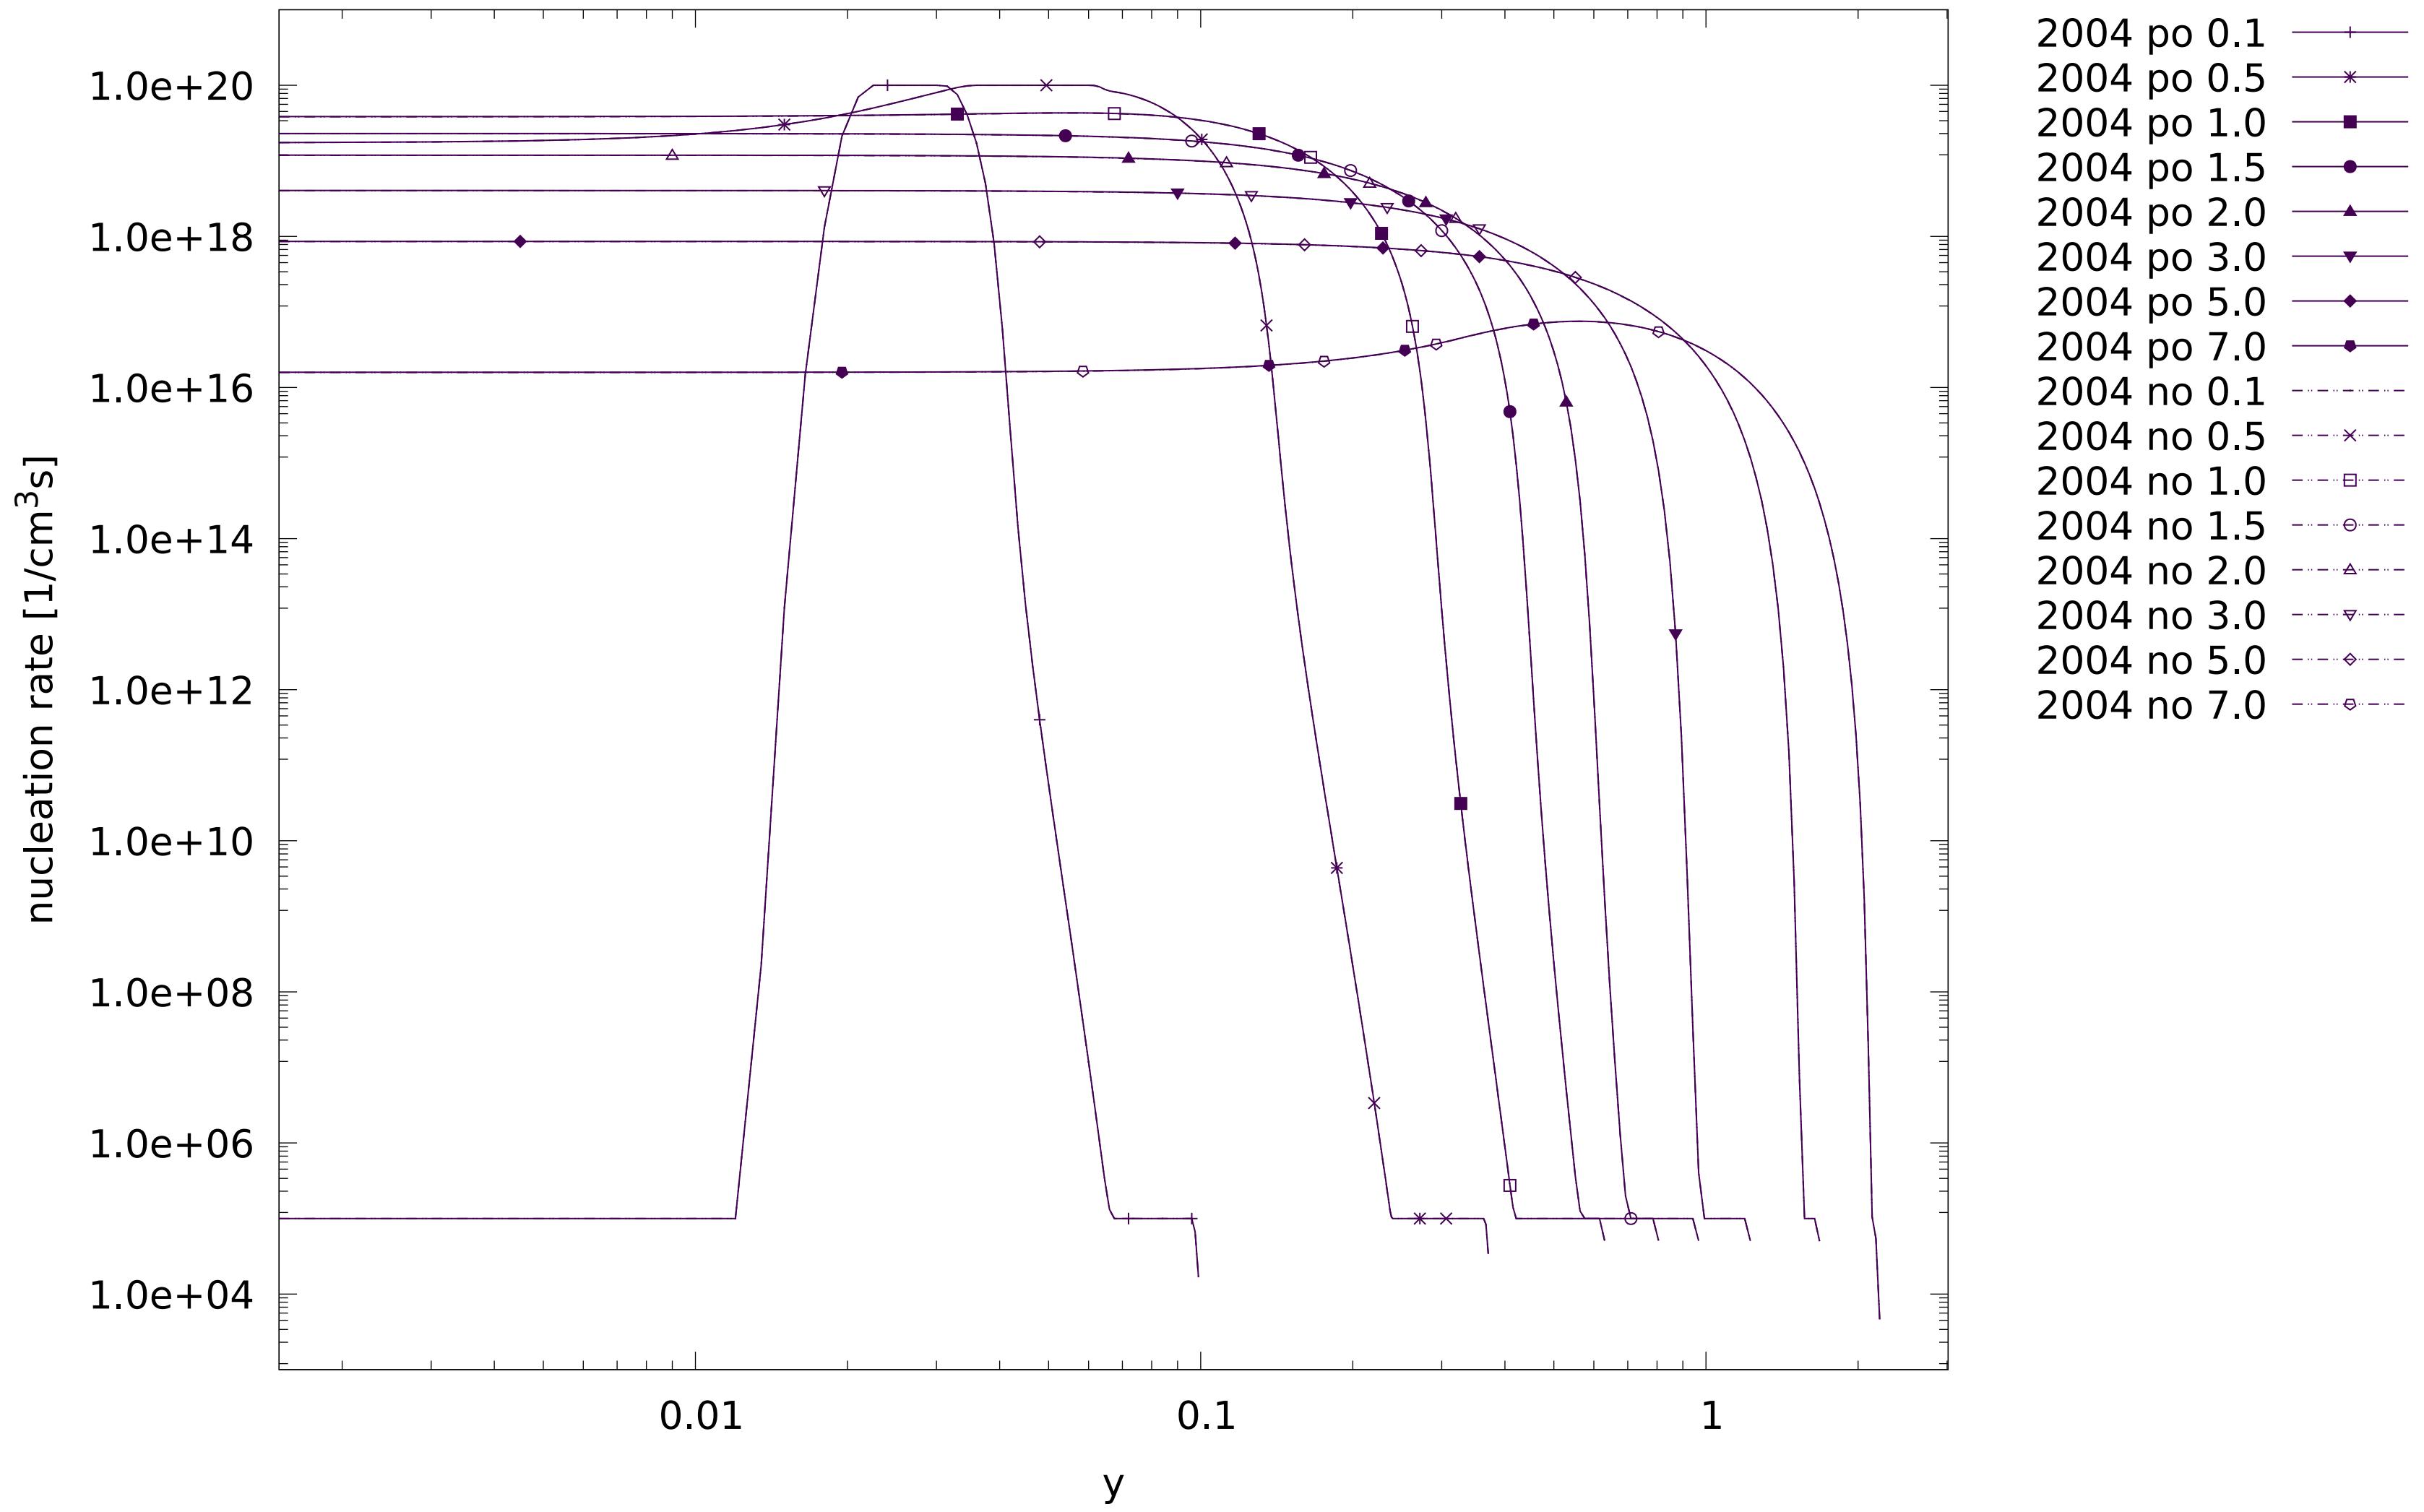

every year every distance polluted nucleation rate [$1/\text{cm}^3\text{s}$]

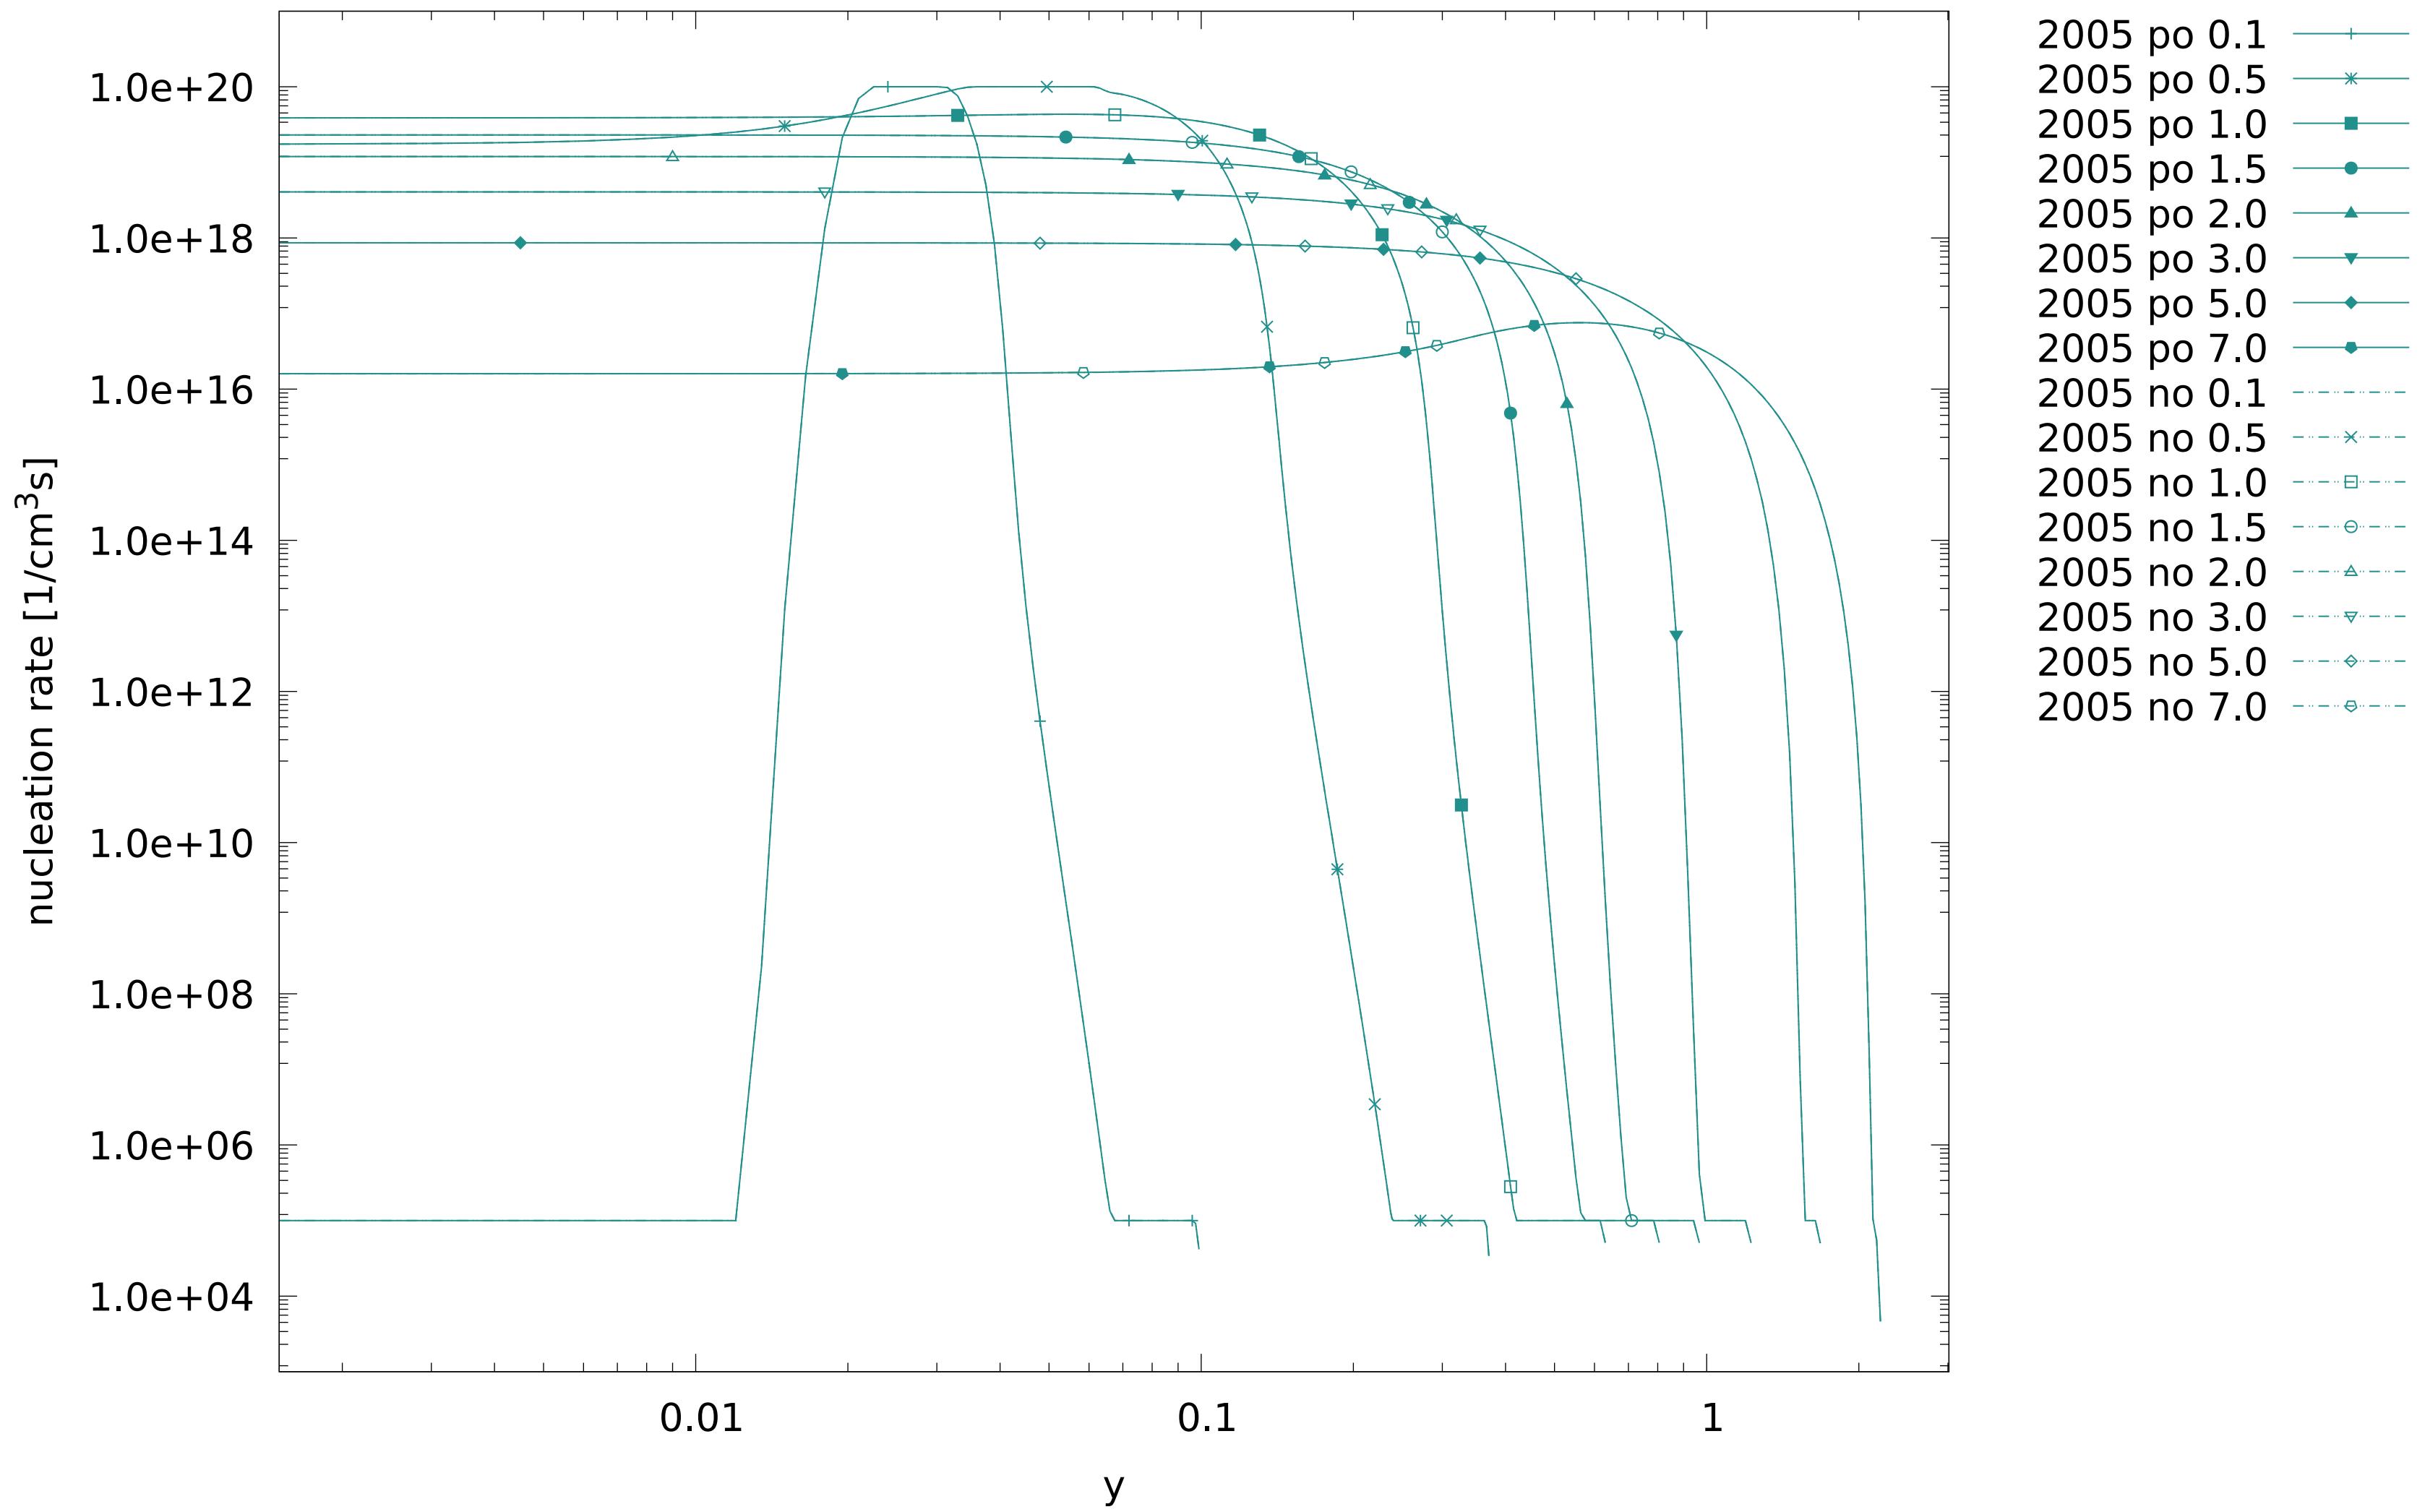

every year every distance nonpolluted nucleation rate [1/cm³s]

2004 every distance polluted and nonpolluted nucleation rate [$1/\text{cm}^3\text{s}$]

2005 every distance polluted and nonpolluted nucleation rate [1/cm³s]

2006 every distance polluted and nonpolluted nucleation rate [1/cm³s]
